OVERLOAD RATE EXCEPTION (20 CREDITS OR OVER)
Renée Crown University Honors Program

Upon approval by the Renée Crown University Honors Program, Honors Program students who register for more than 19 credits in a given semester will not be charged for additional (over 19) credits if they meet the following criteria: (a) a cumulative GPA of 3.5 or higher at the beginning of the semester for which the overload was approved and (b) no outstanding incomplete grades.

Juniors and Seniors
Juniors and seniors who receive permission from their college to carry a credit overload may request not to be charged for additional credits (over 19) if they meet the following criteria: (a) a cumulative GPA of 3.5 or higher at the beginning of the semester for which the overload was approved, (b) no outstanding incomplete grades, and (c) registration as a full-time student at Syracuse University for two previous semesters. A copy of the petition approving the overload must be presented to Bursar Operations, where the determination of eligibility for this rate exception will be made.

RATE EXCEPTION (LAST SEMESTER SENIOR)
Undergraduates enrolled in a four year program who have completed eight regular* semesters of academic work as full time students on main campus and who have eleven or fewer credits to complete toward their bachelor’s degree may petition through the dean of their home college to take these credits during their last semester at the University with the overload rate without being required to transfer to University College.

Undergraduates enrolled in a five year program must have completed ten regular semesters of academic work as full time students on main campus to qualify for the rate exception.

Students who are able to complete their degree requirements in fewer than eight or ten regular semesters, e.g. due to increased course loads per semester or course work completed during summer, are not eligible for this rate exception.

ACADEMIC FULL-TIME STATUS

Undergraduate Students
Registration for 12 or more credit hours confers full-time academic status on an undergraduate student during a given semester. Engineering and Computer Science students registered in the cooperative education program for zero hours in semesters when they are on work assignments are considered to be full-time.

During a given summer session, registration for 6 or more credits confers full-time status on an undergraduate student. Students must be registered for a combined total of 12 or more credits, in one or multiple summer sessions, in order to be considered full-time for the summer semester.

Graduate Students
A graduate student is considered full-time when:
1. Registered for full-time study (nine credits in the fall, spring, or summer in a program approved by the student's advisor), or
2. Holding an appointment as a graduate assistant or fellow and registered for the semester (fall or spring only).
3. Registered for fewer than nine credits, but at least for zero credits of thesis, dissertation, or degree in progress, and engaged, at a level equivalent to full-time study, in one or more of the following activities, as appropriate and certified by the student's program:
   - Studying for preliminary, qualifying, or comprehensive exams;
   - Studying for a language or tool requirement;
   - Actively working on a dissertation or thesis;
   - An internship

College of Law Students
Registration for 12 or more credits confers full-time status on a law student during a fall or spring semester.

In the case of students matriculated in joint degree programs, one of which is the J.D. degree, this requirement for full-time status takes precedence over the 9-credit criterion for full-time status as stated in (1) above.

SATISFACTORY ACADEMIC PROGRESS FOR GOVERNMENT- SPONSORED FINANCIAL AID
The policy on satisfactory academic progress for government-sponsored financial aid is available on the “Policy” section of the Office of Financial Aid and Scholarship Programs website, syr.edu/financialaid.

New students must return the Housing and Meal Plan Application with the required housing advance payment after acceptance to the University. A full refund of the deposit will be processed through June 1 for undergraduate students for cancellation of housing for reasons of withdrawal from the University, academic disqualification, attendance at an off-campus academic program, or medical leave of absence. After June 1 for undergraduate students, refunds will be processed for students who leave the University involuntarily for reasons such as academic dismissal or medical leave. Returning juniors and seniors who select University housing during the spring reservation process will be bound to that commitment unless notification of cancellation of housing is received by May 1, 2012. After May 1, 2012, students not obligated to the two-year housing requirement continuing at the University who elect not to use housing reserved for them will be responsible for one semester of the annual housing cost. Students not in attendance on the main campus for the fall semester are governed by housing deposit policies stated previously.

Damage Charges
All charges for damage to University property assessed by the Housing Office are to be paid to Bursar Operations. Charges will appear on the billing statement from Bursar Operations.

All undergraduate students living in North Campus University housing and students residing in the Skyhalls are required to be on a University meal plan. Meal plan options are based on the student's class standing. Meal plans are arranged on a semester basis, and unless changed, the plan selected for the fall semester will be automatically reinstated for the spring semester.

No refund or reimbursement will be made for the unused portion of any meal plan. Food accounts carry over from fall semester to spring semester, but must be used in full by the end of the spring semester; there are no refunds of unused Supercard Food accounts.

All meal plans entitle the student to enter a dining center during the hours scheduled for a meal. It is a violation of the Student Code of Conduct to use another student's SU I.D. card to access the dining center and/or meals. In the case of a lost or stolen I.D. card, the student is responsible for its use until its loss is reported to either I.D. Card Services or Public Safety (after hours and on weekends).

Changes to meal plans will be permitted during the first 10 calendar days after classes commence each semester. Cancellation of meal plans is permitted during the first 10 calendar days after classes commence for students residing off-campus or on South Campus, leaving North Campus University housing, or withdrawing from SU. Refunds are computed according to the meal plan refund policy described in the section "SU Refund Policies:"

### Supercard-Food Account

Supercard-Food is a declining balance debit account that allows students to use their SU I.D. to purchase food and beverages in dining centers, Schine and Goldstein Dining Centers, Kimmel and Brockway Food Courts, all University Food Services snack bars, Food Works and FW II campus groceries, Campus Delivery, Warehouse Café, and University Vending machines.

All meal plans include a Supercard-Food account which can be supplemented in increments of $25. Supercard-Food accounts carry over from fall to spring.

There are no transfers or carryovers of unused balances in food accounts after June 30.

Supercard-Food account food and beverage purchases are exempt from the 8 percent New York State sales tax.

### Superfood Plan

**Per semester **$920**

This option is available to South Campus apartment residents and off-campus students. It provides a Supercard-Food account of $920. When selected for the fall semester, the Supercard-Food plan will automatically be reinstated for the spring semester unless canceled by the student. Superfood funds carry over from fall to spring, however, there are no transfers or carryovers of unused balances in food accounts after June 30.

### PLUS Account

PLUS is a declining balance cash account which provides access to goods and services, other than food, through the SU I.D. card. This account is separate from your Supercard-Food account and can be used in washers and dryers, to buy tickets to Schine Box Office and Carrier Dome events, and for copy services. Accounts may be opened for a minimum of $25.

PLUS account balances carry over from the fall semester to spring semester to summer sessions. There are no refunds, transfers, or carryovers of unused amounts at the end of the second Summer Session.
Payment Policies

All charges must be paid in full on the date established by the University for each semester. The only exception to this policy is for students enrolled in the Monthly Payment Plan or the Student Deferred Tuition Plan who have made all required payments before registration.

Payment may be made electronically through the use of various options detailed on our website at bursar.syr.edu. In addition, payment may also be made by check. Clearly indicate the student’s University ID number on the check and return it with the remittance document in the envelope provided. Checks must be in U.S. dollars, drawn on a U.S. bank. In the event that checks are not drawn on a U.S. bank and/or not payable in U.S. funds, the student account will be credited for the dollar value of the check, and will be charged for any unavoidable service charges incurred while processing the payment. No two-party checks will be accepted as payment for any University financial obligation. Postdated checks will not be accepted or held.

It is the responsibility of the student who is receiving financial aid from any source to ensure that the financial aid is available at the time of registration.

Students who are to receive tuition benefits from their employers paid directly to SU must present a signed letter of authorization indicating a billing address and the number of credits for which the employer is accepting responsibility.

Undergraduate Students - Main Campus
All charges must be paid in full on or before August 1 for the fall semester and on or before December 15 for the spring semester.

Graduate Students
All charges must be paid by the due date per the billing statement sent in September for fall and February for spring.

College of Law Students
All charges must be paid in full on or before August 1 for the fall semester and on or before December 15 for the spring semester.

University College Students
University College students who register in person, by mail, or by fax must make payment arrangements at the time of registration. Registration forms submitted without payment option information and any necessary down payment will not be processed.

UC students who register on the web via MySlice must submit payment option forms within 7 business days of registering. Web registrations without payment option forms and any necessary down payment within 7 business days are subject to cancellation at the discretion of the University College Bursar and Registration Office. A student must make payment arrangements or drop a class according to the published deadline dates. Failure to do so will result in continuing financial responsibility for charges assumed during enrollment.

Available payment options and payment option forms can be found in the Studies at Syracuse University/University College Course Schedule on the web at www.uc.syr.edu, or by calling the UC Bursar/Registration Office at 315-443-4135.

Summer Sessions
Registration in all summer classes at Syracuse University is handled by the University College Bursar/Registration Office, including registration by Main Campus students.

University College students who register in person, by mail, or by fax must make payment arrangements at the time of registration. Registration forms lacking payment option information and any necessary down payment will not be processed. UC students who register on the web via MySlice must make payment arrangements within 7 business days of registering. Web registrations without payment option forms and any necessary down payment within 7 business days are subject to cancellation at the discretion of the University College Bursar and Registration Office. Failure to either make payment arrangements or drop the class according to the published deadline dates will not clear financial responsibility the student assumes when enrolling.

Payment option forms can be found in the Studies at Syracuse University Summer Course Schedule on the web at www.uc.syr.edu, or by calling the UC Bursar/Registration Office at 315-443-4135.

Returning Main Campus undergraduate student summer charges will roll into their Main Campus fall billing arrangement. No summer payment option paperwork is necessary. All summer charges are due with your fall billing invoice due date. Main Campus graduate students will be billed in full on the first summer billing date immediately following the date of registration. All students should contact the UC Bursar/Registration Office at 315-443-4135 for all summer registration and bursar related questions and issues.

Monthly Payment Plan

The Monthly Payment Plan is available to all main campus undergraduates, graduates, law students, and students registered through Syracuse University Abroad. SUNY College of Environmental Science and Forestry students may use the plan for room and board charges if they reside in Syracuse University housing. There is an annual nonrefundable application fee of $65 for participation in the plan.

The Monthly Payment Plan combines the elements of a deferred payment and a prepayment program. The total charges for each semester must be paid in monthly installments that will be recalculated based on account activity.

If you participate in this plan for the fall semester, your fall semester charges must be paid in full in November. If you participate in this plan for the spring semester, your spring semester charges must be paid in full in May. Graduate students’ payment plans are a three month duration with the first bill for fall sent in September and the first bill for spring sent in January.

Payment plan billing for fall semester begins in June and in November for spring semester. Students desiring to use the Monthly Payment Plan are encouraged to sign up as soon as possible to realize the maximum number of months over which to pay the balance due. A Monthly Payment Plan application must be completed each year.

There is no interest charge or finance charge (zero percent annual percentage rate) imposed for use of the Monthly Payment Plan. The application fee of $65 will be billed to you and included in your schedule of payments. Application forms for this plan may be obtained from Bursar Operations, Syracuse University, 102 Archbold North, Syracuse NY 13244-1140, or on the web at bursar.syr.edu.

Continued participation in the Monthly Payment Plan is contingent upon satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has previously not complied with the terms of the monthly payment plan billing schedule.

Prepaid Tuition Plan

The University’s Prepaid Tuition Plan allows freshman students to prepay eight consecutive semesters (four fall and four spring), thereby locking in the rate of tuition in effect at the time of the plan’s initiation. Payment must be received by August 1 just before the first term of the student’s matriculation. This plan is available only to full-time Main Campus undergraduate students awarded less than $8,000 per year in institutional aid. For a copy of the Prepaid Tuition Plan Agreement that governs this plan, please contact the Bursar’s Office: Bursar’s Office, Syracuse University, 102 Archbold North, Syracuse NY 13244-1140; 315-443-2444; or bursar@syr.edu.

Financial Hold and Registration Eligibility

A financial hold results when financial obligations, billed by the University, have not been satisfied by the due date indicated on the billing statement. A financial hold can be the result of a past due balance for tuition, room, meal plan, and fees; SU bookstore charges; or fines assessed by the library or parking services. A financial hold condition prohibits a student’s eligibility to participate in the registration process or to receive a transcript or diploma.
Undergraduate students who registered in April for their fall courses and law students who matriculated prior to August 1, will have to pay their fall bill on or before August 1 in order to secure their class schedules. Students who are on the Monthly Payment Plan must be current with their monthly payments in order to secure their class schedules.

A student whose registration schedule is canceled due to a financial hold may be closed out of the classes for which he/she had previously registered. A $50 late registration fee will be imposed.

Entering undergraduate students who registered over the summer must have their fall semester bills paid on or before August 1, or be current on the Monthly Payment Plan in order to secure their class schedules. If payment is not received on or before August 1, the course schedule may be canceled meaning the student may have to re-register when he/she arrives on campus in August.

To avoid financial hold, please pay all University bills by the due date noted on the billing statements. Monthly Payment Plan participants should make sure that payments are received no later than the due date of their monthly statement. Billing address information should be kept up-to-date to ensure that you receive your statements in a timely fashion.

Payment of the fee entitles students to office visits at Health Services and at the Counseling Center, SU ambulance services, and medical-transport services during the semester for which the fee was paid. The Health Fee also supports multiple other University programs and activities, including the Options Program and the Advocacy Center. The Health Fee does not cover charges for pharmacy, x-ray, and laboratory services and certain clinical procedures and does not cover any services provided by other institutions or agencies. Courses for which a special fee is charged will be indicated in the MySlice Course Catalog/Class Search. In most cases the amount of each fee is specified.

Fees are charged for courses which require special materials and/or special instructional methods. Most commonly, fees are charged for laboratory courses in the sciences, studio courses in the arts, communications, and architecture, some physical education courses, and some music and art courses. There is a wide range of fees, and charges to individual students will depend upon the student’s course registration and program of study.

School of Education

Continuing enrollment, per semester $500
This is a fee for enrollment in GRD 998 Degree in Progress, a non-credit bearing course which indicates continuing enrollment in a graduate program during semesters in which a student is not enrolled in other courses. The fee encourages students to enroll in courses on a continuous basis so that they complete their degree programs expeditiously, and offsets costs associated with serving these students related to faculty assistance and interaction.

For four semesters during the coursework phase of a graduate degree in which a student enrolls in GRD 998 the fee is waived.

Schine Student Center Locker Rental

Rental lockers are available in various locations at the Schine Student Center. The charge for an 18” x 12” x 12” locker is $18 for the academic year, $12 for either a semester or summer. (315-443-1193.)

Athletic Activity Fees

ATHLETIC ACTIVITY ADMISSION FEES

Special prices for admission to University athletic contests and events are extended to full-time Syracuse University and SUNY College of Environmental Science and Forestry students.

For purposes of athletic admission, full-time status is determined by the same criteria that determine “Academic Full-Time Status,” which is explained on page 5 of this publication. Admission to any athletic event by using a student ticket is contingent upon producing a currently validated I.D. card. The laminated, machine readable photo I.D. must be presented at the time of admission. It is the responsibility of each student to make sure he or she maintains appropriate validation.

Spouses and dependent children purchasing tickets through a qualified student must have an I.D. card made at the I.D. card office and present the card in the same manner as a student when entering an event. Validation requirements are the same for spouses and children as for students.

The Syracuse University Athletic Department reserves the right to refuse admission to any party failing to present proper identification.

Student tickets are nontransferable. Resale of tickets to individuals ineligible for their use may result in disciplinary proceedings against the student as well as suspension of all admission privileges extended to the original ticket holder.

Football Season Tickets

The price of the 2012 SU football student season ticket is $99. All five of the home games are included in the student season ticket package.

Each full-time, main campus student currently registered at one of the institutions indicated may purchase a season ticket for the home football games occurring while Syracuse University is in session.

Spouses and dependent children of qualified students may also purchase football season tickets at the student ticket price with a valid Syracuse University I.D. card. I.D. cards for spouses and dependent children may be obtained through the I.D. card office in Steele Hall. Dependents wishing to avail themselves of the student ticket privileges should obtain their I.D. cards immediately after registration to allow time for processing of the cards.
The SU student season ticket seating area on the lower level is a modified general admission area. SU: Student football season ticket holders wishing to sit in this area on game day must report to Gate E of the Carrier Dome to enter the facility. Presentation of the student’s own, valid student I.D. card for validation is required, upon which they will receive a wristband for sitting in that area. Student seating in the general admission area is first-come, first-served. Once the lower level student area is full, any later arriving students will be required to sit in the third level student seating area.

Students, spouses, and dependents who purchase season tickets are not entitled to purchase additional reduced price individual game tickets.

**Men’s Basketball Season Tickets**

The student basketball season ticket package includes one ticket to each of the regular season home games occurring while SU is in session. Due to the timing of this publication, the exact number of games to be included in the men’s basketball season package is not known. All regular season games that occur during Thanksgiving, Christmas, and spring break are not included in the season ticket package. Tickets for these games may be purchased at the regular reduced student price.

The same general rules and guidelines that apply to the sale of student football tickets also apply to the sale of student tickets for men’s basketball.

**Women’s Basketball**

Men’s and Women’s Lacrosse Tickets

SU students can enter any home women’s basketball, women’s lacrosse, or men’s lacrosse game free-of-charge by displaying their valid SU I.D. card at any open Carrier Dome entrance. All student seating for women’s basketball and men’s and women’s lacrosse is general admission.

**OTHER ATHLETIC EVENTS**

SU students can attend free-of-charge any home SU athletic contest that takes place at a campus venue other than the Carrier Dome by displaying their valid SU I.D. card at the time of entry.

A currently valid I.D. card for SU, ESF, or University College is required for admission to all facilities.

**University College**

University College (UC) serves all Syracuse University students during the summer. During the fall and spring, UC serves all matriculated part-time undergraduates as well as all nonmatriculated and non-credit students.

Students may elect to audit a course at 60 percent of the full tuition rate (see exceptions below). Students must submit a completed Grading Option Application to the University College Bursar and Registration Office by the elect/rescind audit deadline of the appropriate term or the registration will be changed to credit and the student will be billed the difference in tuition to the credit rate.

Senior citizens, who are 65 or older by the first day of the term, may be eligible to pay one-third of the regular tuition for some UC credit courses on a space-available basis. Registration rules differ from regular registration and the discount does not apply to courses with limited space or those requiring extensive individualized instruction. Contact the UC Bursar/Registration Office or consult the Part-Time Course Schedule for details.

Charges for Humanistic Studies Center and informal noncredit courses and programs vary. Their specific Schedule of Courses should be checked for exact rates.

University College nonmatriculated graduate students may take undergraduate courses at the undergraduate tuition rate. Graduate students...
taking a 500-level class for undergraduate credit, or electing to audit a 500-level or undergraduate level class may do so with appropriate approvals and required paperwork, and pay the appropriate undergraduate tuition rate.

Tuition Transfer Students

MAIN CAMPUS FULL-TIME

Undergraduate students who complete an intra-University transfer to University College and register during the designated enrollment period for each semester are charged University College rates. Full-time students who register on the main campus for a University College course are charged Syracuse University rates.

No student may transfer from Syracuse University to University College to enroll in a Humanistic Studies course. Full-time students on the main campus must register separately at University College for these courses and pay the tuition in full.

Undergraduate students enrolled full time during the spring semester and who intend to register full time for the fall semester may not transfer to University College part-time status for the summer.

Student Deferred Tuition Plan

SUMMER

FOR UNIVERSITY COLLEGE STUDENTS

AND MAIN CAMPUS GRADUATE STUDENTS

Students who register in person, by mail, or fax must sign a promissory note (Section E) and pay 25 percent of the total anticipated charges at the time of registration. Students who register online must submit Section E and pay 25 percent of the total anticipated charges within 7 business days of registering. The balance is due in one installment on the invoice due date. Students will be billed on the first invoice date immediately following registration. Since summer billing is scheduled to begin on approximately the 2nd day of the first summer session, students who choose to register just before the session begins may find that the posting of the down payment and invoice production overlap. In addition, students who early register for the second summer session will be billed and have payment due prior to the beginning of that session.

FALL AND SPRING

FOR UNIVERSITY COLLEGE STUDENTS

Students who register in person, by mail, or fax must sign a promissory note and pay 25 percent of the total anticipated charges at the time of registration. Students who register online must submit the promissory note and pay 25 percent of the total anticipated charges within 7 business days of registering. The balance is due in three equal monthly installments on the invoice due dates.

Continued participation in Student Deferred Tuition Plan is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has not complied previously with the terms of the promissory note.

Employer Tuition Reimbursement Plan

FOR UNIVERSITY COLLEGE  AND MAIN CAMPUS STUDENTS

Students whose employers reimburse tuition only after courses are completed may request that their tuition payments be deferred until approximately 21 days after the semester ends.

Students who register in person, by mail, or by fax must submit an Employer Tuition Reimbursement Application, Section F, signed by the company representative at the time of registration. Students who register online must submit Section F within 7 business days of registering.

Students are billed and are responsible to pay by the billing invoice due date. Non-reimbursement from your employer for any reason by the invoice due date will not result in an extension to that date. It will also result in a late payment fee and denied participation in the plan for future terms. See the section “Penalties, Late Fee” on page 22.

Continued participation in the Employer Tuition Reimbursement Program is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has not complied previously with the terms of this program.

Fees

LATE REGISTRATION FEE

A $50 late registration fee is assessed to all students who initially register for the term on or after the first day of the fall/spring term. Registration must be submitted prior to the first day of the summer session (not term) in which the class is offered. Please note that registration in flexible format classes is also required before the start of term or summer session. Since these classes are contingent upon enrollment, early registration enables us to confirm class offerings. Classes that are under-subscribed will be cancelled.

PARKING FEE

Students attending courses at Syracuse University must have a permit to park in University lots. For vehicle registration and SU parking fees see the “Vehicles” section on page 23.

Schedule Adjustment Procedures

Students electing to change their schedules after the add deadline of the semester should obtain the required form and return it to the Bursar and Registration Office, Room 103 at University College.

Fees

The Main Campus undergraduate Student Activity Fee of $12 will be charged only once during the summer, at the time of registration.

The duplicating and support services fee for law students will be $20 per summer.

Applied music fees and course fees are determined by the department offering the course and are available by contacting that department.

Other special fees are listed in the Studies at Syracuse University/University College Summer Schedule.

Summer Add Policy

Charges for added classes will be assessed at the per credit rate regardless of when they are added. These charges will not be waived if a student intends to drop a class. The last day to add Maymester classes is May 14; six-week classes for Summer Session I is May 23; the last day to add six-week classes for Summer Session II is July 5; combined session classes is May 25. Students may add special programs and workshops to their schedules in accordance with the deadlines for flexible format courses available at University College.

Tuition Refunds

The financial deadlines for dropping Summer 2012 Session courses are May 15 for Maymester, May 29 for Summer Session I, July 10 for Summer Session II six-week courses, and June 7 for combined session. Special programs, workshops, and flexible format classes have unique deadlines that vary by program and class. Contact the UC Bursar/Registration Office at 315-443-4135 for deadlines specific to any program, workshop, or flexible format class. NO REFUNDS WILL BE GRANTED AFTER THESE DATES.

New York State Tuition Assistance Program

Tuition assistance program aid is calculated and awarded based on student income and, if applicable, parental or spousal income, as reported on New York State income tax returns.

Upon completing a financial aid application (FAFSA), which is now available on the internet at www.fafsa.gov, a direct link to the New York State Tuition Assistance Program (TAP) application is automatically available. Higher Education Services Corporation will mail an Express TAP Application to the student if any further information is required. The student must complete the application and return it to the State for determination of a TAP award.

A student may receive a New York State TAP grant, provided he or she meets the following:

(1) is a resident of New York State for one year immediately preceding the term for which aid is requested and has established permanent residence;

(2) is a citizen of the United States or permanent resident alien or a parolee refugee;

(3) is a matriculated full-time student (12 credit hours or more per state requirement) in an approved program of study (courses taken for audit and certain credit courses that are being repeated may not count toward full-time eligibility for TAP certification);

(4) meets program pursuit requirements and maintains satisfactory academic progress. For further details, view the “Policy” section of the Office of Financial Aid and Scholarship Program’s web site, syr.edu/financialaid.

(5) after receiving four semesters of TAP aid, undergraduates must have a cumulative ‘C’ (2.0) average to receive the fifth and subsequent payments of TAP;

(6) has officially declared a major/program of study prior to the first day of classes of the junior year (junior status is defined as having earned 54 credits);

(7) does not exceed the New York State net taxable income eligibility guidelines.

(8) part-time students at approved schools in New York State who were first-time, full-time freshmen in 2006-07 may be eligible for part-time TAP beginning in 2007-08. Part-time TAP is not the same as Aid for Part-Time Study.

In addition to the existing TAP eligibility rules for full-time students, to be eligible for part-time TAP, a student must:

• Be a first-time freshman in the 2006-07 academic year or thereafter;

• Have earned 12 credits or more in each of two consecutive semesters, for a minimum total of 24 credits earned;

• Maintain a minimum “C” average.

AFTER FOUR PAYMENTS HAVE BEEN MADE, the annual payment for undergraduates may be reduced by $200.

Tuition assistance funds may be used only toward tuition.

Students who are recipients of the employee dependent tuition benefit or athletic scholarships are required to apply for TAP awards. These students may use TAP funds to pay any additional tuition charges incurred that are not covered by their tuition scholarship. Those students who have the dependent tuition benefit and who are eligible to receive TAP and do not apply will have their dependent tuition benefit reduced by $500 per semester. All New York State awards and minimum award amounts are subject to change or elimination pending New York State legislation.

The New York State Higher Education Services Corporation also administers various scholarship and fellowship programs for undergraduates and graduates. The eligibility requirements for these programs are the same as for TAP grants, with the exception of income limitations. These programs may also have unique requirements that must be met.

Additional information is available at the Syracuse University Bursar Operations Office, 102 Archbold North, or contact New York State Higher Education Services Corporation, 99 Washington Avenue, Albany NY 12255; by phone at 1-888-697-4372; or by visiting their web site at hesc.com/.

Remitted Tuition Benefits

Eligibility

The awarding of Remitted Tuition is administered by the Office of Human Resources. Remitted Tuition provides credit hours for eligible employees/retirees and their spouses/same-sex domestic partners for undergraduate and graduate study at Syracuse University or University College. Employees using Remitted Tuition benefits for themselves receive a full tuition waiver. Employees’ spouses or same-sex domestic partners who receive benefits transferred from an employee will receive a tuition waiver of 85 percent. For more information on tuition credit use, availability and expiration, please view the Human Resources web site: http://humanresources.syr.edu/benefits/RemTuitionBenefit.html or contact the Office of Human Resources at 315-443-4042.

Remitted Tuition Taxability

Below you will find the current tax rules relating to remitted tuition benefits that are scheduled to be in effect through the end of calendar 2013. As with all tax rules, these are subject to change by the U.S. Congress. In the event that the tax rules for remitted tuition change, the new rules will be posted on the Comptroller's Office web site at http://comptroller.syr.edu under the “Taxes” section when they become available from the Internal Revenue Service.

Remitted tuition benefits used by a University employee for graduate-level courses are tax free up to $5,250 per calendar year. Remitted tuition benefits used for graduate-level courses in excess of the $5,250 limit are taxable to the employee and subject to tax withholding by the University at the time the benefit is used.

Remitted tuition benefits used by the spouse of a University employee for graduate level courses are taxable to the employee, and subject to tax withholding at the time the benefit is used.

Remitted tuition benefits used by a University employee for undergraduate courses are tax free.

Remitted tuition benefits used by the same-sex domestic partner of a University employee for undergraduate and/or graduate level courses are taxable to the employee, and subject to tax withholding at the time the benefit is used.

For questions relating to taxation of remitted tuition, contact the Payroll Service Center at 315-443-4042, extension 2.

Cooperating Agencies

Cooperating agencies that provide field instruction for Syracuse University students receive tuition credits. Each agency authorizes those individuals who are eligible to use tuition credits in accordance with the agency's contractual agreement with the University.

Tuition credits are not available for use until the semester following the term in which field instruction was provided and may not be applied retroactively to tuition charges incurred during a previous semester. Unused credits are forfeited if not used before or during the semester of expiration.

Outside agency tuition credits may be used in conjunction with any benefits that an individual may be eligible for as a spouse of a University employee.

Determination of taxability, as well as any actual tax withholding, is the responsibility of the agency that authorizes the use of tuition credits.

For further information about Cooperating agencies, contact the Bursar Operations Office at 315-443-5115.

NOTE: Individuals using Outside Agency tuition credits should have their agencies submit the appropriate authorization forms to Special Programs, Bursar Office, at least two weeks prior to registration.

SUNY ESF, Utica College, ROTC, and other cooperating agencies must contact the Bursar Operations Office at 315-443-5115 for assistance with the use of outside agency credits.

Refunds

If a student drops a course by the financial drop deadline during the fall or spring semester (for summer refer to financial deadline dates on page 3) and has no tuition liability, the remitted tuition benefit or tuition credit for that course will be restored.

University College 50 percent and 25 percent tuition adjustments do not apply to remitted tuition benefit recipients.

Dependent Tuition Benefit

Eligibility

The awarding of the Dependent Tuition Benefit is administered by the Office of Human Resources. It is important to note that the Dependent Tuition Benefit is not automatically activated with a student's acceptance to the University by the Office of Admissions. For more information on the dependent tuition benefit, please view the Human Resources web site, http://humanresources.syr.edu/benefitsDepTuitionBenefit.html or contact the Office of Human Resources at 315-443-4042.
Refund Policies

General Criteria

Students can request a refund resulting from an overpayment by submitting a request either directly to Bursar Operations, located at 102 Archbold North, or via the web at MySlice.syr.edu. Refunds will be available for pick-up at Cash Operations, Schine Student Center, or by direct deposit. Sign up on myslice.syr.edu for Direct Deposit. All tuition refunds for withdrawing students are determined by Bursar Operations based on the date of the leave of absence, withdrawal, add/or drop using either our established policies or the federal regulations governing such matters, depending on which policy is to the student's advantage.

The University may exercise the right of offset, meaning that a refund could be subject to adjustment if necessary to ensure any past due University obligations are satisfied.

Students may elect to have excess funds remain on their accounts, understanding that any interest earned on these funds will be retained by the University to be used in its general operation. Students may at any time cancel such a request and receive a refund of excess funds.

LEAVE OF ABSENCE AND WITHDRAWALS FROM THE UNIVERSITY

Any student, prior to the 60 percent point in time in the period of enrollment, who withdraws, drops out, or is suspended or expelled from the institution, or otherwise fails to complete the program on or after his or her first day of classes, will be entitled to a refund of unearned tuition, fees, and other similar charges for attendance calculated on the following basis:

1. 100 percent of tuition, fees, and other similar charges less an administrative fee of $100 will be refunded if the separation from the University occurred before 5 p.m. on the last day of the financial drop period. 73 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 27 percent of the enrollment period; 66 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 47 percent of the enrollment period; 53 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 54 percent of the enrollment period; 46 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 60 percent of the enrollment period.

2. Students who are withdrawn from the University for academic reasons are eligible for a full tuition refund.

3. Students who take a leave of absence or withdraw for medical reasons must submit medical documentation to one of the following units: Health Services or the Counseling Center, within 60 days of the effective date of leave to qualify for the special refund consideration we extend under these circumstances (whether student or University-initiated) for tuition only. Otherwise, standard University policies will apply. Medical refunds, excluding the administrative fee of $100, will be based on the effective date of the leave and will be prorated using the total number of class days in the period of enrollment as the base number for the daily calculation.

4. Students who have submitted documentation indicating they have been called to active duty by any of the United States Armed Forces may request a tuition refund and prorated refund of housing and meal plan charges covering the semester for which they are enrolled.

Students must initiate a personal leave of absence/withdrawal through the Dean's office of their home college. A medical leave may be initiated through the home college or the Office of Student Assistance. In addition, we suggest contacting the Bursar's office at 315-443-2444 or by e-mail at bursar@syr.edu to let us know you have taken such action.

Tuition refund policies at ESF do not follow the same schedule as mentioned above. Please see the SUNY ESF handbook, your original bill, or contact the ESF bursar's office for the SUNY refund policy.

Any University College student who takes an official leave of absence, withdraws, or is suspended from the University, is entitled to a refund of unearned tuition, fees, and similar charges for attendance, based on the effective day of the leave of absence or withdrawal form.

- During the first month after residence/registration 100%
- During the second and third month after residence/registration 50%
- Until six months after the residence/registration 25%

Students can request a refund due to an overpayment via the web at myslice.syr.edu. See "Refund Policies General Criteria" for further information.

Adjustments to Federal Financial Aid

Federal financial aid (Title IV funds) for students who withdraw from the University before the semester ends is adjusted according to Department of Education guidelines. Title IV funds include the Federal Perkins, Federal Direct Student, Parent and Graduate PLUS loans, FSEOG, Federal Pell Grant, and TEACH Grants. Title IV aid received is based on the number of days students are enrolled for the semester. During the first 60 percent of the semester, students may receive Title IV aid in proportion to the length of time they are enrolled. A student who withdraws before the 60-percent point may have their Title IV aid reduced. Students who remain enrolled beyond the 60-percent point and are charged full tuition may receive all Title IV aid for the semester.

Adjustments to Institutional Scholarships and Grants

Syracuse University scholarships and grants are awarded according to institutional policy. Students who withdraw before the semester ends may either lose their institutional scholarships and grants or have their institutional aid prorated.

Scholarships and grants are awarded on the basis of full-time enrollment for the full semester. Students that withdraw early may lose their institutionally funded scholarships and grants or have their aid prorated.

Refund and Withdrawal/Leave of Absence

In the event that you take a leave of absence or withdraw from the University, your student account may be subject to proration or removal of your financial aid for that term. If you receive a refund based on this funding, any subsequent financial aid adjustments resulting from a withdrawal or leave may result in a balance due on your bursar account, which will be due immediately upon your departure from the University. If you have any questions on this, we encourage you to contact our Financial Aid Office at 315-443-1513, or the Bursar's Office at bursar@syr.edu or 315-443-2444.
Residence Refunds

(2) The conditions of occupancy are defined in the Terms and Conditions of Student Housing. The occupancy term for single student housing is for the academic year (two semesters—fall and spring).
(3) After students pick up their room keys, the following refund schedule is effective if a student withdraws from the University or leaves housing with the permission of the Housing, Meal Plan, and I.D. This applies to students who graduate, participate in an off-campus academic program (e.g., semester abroad), or withdraw from the University.

Meal Plan Refunds

For continuing students no longer using the service with the permission of the University.

(1) All meal plan refunds must be authorized for Bursar Operations by the Housing, Meal Plan, and I.D. Card Service Center.
(2) Students who are eligible to withdraw from meal plan agreements must give five days’ notice to the Housing, Meal Plan, and I.D. Card Service Center. Upon approval by the Housing, Meal Plan, and I.D. Card Service Center, the student may be eligible for a refund, excluding the amount of the per credit rate per credit charge, which is determined by the student’s college of registration and class level.
(3) Tuition for credits dropped after the financial deadline will be adjusted, based on the date the drop notification is received by the University College Bursar/Registration Office. No adjustment is made for class fees.

Add/Drop Refund Policies

FULL-TIME UNDERGRADUATE AND COLLEGE OF LAW STUDENTS

Within First Three Weeks of Classes

There will be no charges or credits for courses added or dropped within the 12 to 19 credit range. Credits added in excess of 19 will be charged on a per credit basis. Tuition for credits dropped outside the 12 to 19 credit range will be credited at 100 percent.

After Third Week of Classes

Charges for courses added or dropped after the financial deadline, which is three weeks from the first day of classes, will be based on the number of credits for which a student is registered on the day of the financial deadline. Therefore:

(1) no credit will be given for credits dropped after the financial deadline;
(2) tuition will be charged for all credits added above 19 credits, regardless of the number of credits dropped.

Example 1
You are registered for 20 credits. After the financial deadline has passed you decide to drop a three-credit course. Although you are now registered for 17 credits, you are not entitled to a refund for the one credit over 19 because you dropped the course after the financial deadline.

Example 2
You are registered for 18 credits. After the financial deadline for dropping courses, you drop a two-credit course and add a three-credit course. Although you are now registered for 19 credits, you will be charged for 21 credits because you are not entitled to a refund for the 2 credits dropped after the financial deadline.

Example 3
You are registered for 15 credits. After the financial deadline you add a three-credit course. You are now registered for 18 credits; you will not be charged additional tuition because you remained within the 12 to 19 credit range.

Penalties

The University reserves the right to deny admission or registration to any person who has not paid in full, and in good funds, the entire obligation to the University in accordance with this publication and/or the terms of the obligation. In any such case, the University may at its sole discretion, take the following action(s): (1) refuse to admit or register the student; (2) cancel the student’s registration; (3) bar the student from attending classes; (4) remove the student from University housing; and/or (5) withhold the student’s transcript and diploma. All such remedies shall be cumulative and exist in addition to any other rights that the University may have to collect the amount due.

Returned Checks

Checks or EFT payments returned to Syracuse University for insufficient funds, postdating, missing signatures, closed account, stop payment, or uncollected funds will be treated as a past due balance and assessed an additional fee in the amount of $25.

Late Fee

The University reserves the right to assess a late payment fee. When the unpaid balance due for the semester is $499.99 or less, the late fee is $75; when the unpaid balance due for the semester is $500 or more, the late fee is $110.

2. Garage permit holders may park in any available space within the garage except those which are marked as reserved.
3. Students who do not qualify to park in a Main Campus parking lot may park registered vehicles at the Manley Field House commuter parking lots for a nominal fee and use the free shuttle bus service to and from campus.
4. Motorcycles and mopeds are permitted in certain campus areas. Motorcycles and mopeds must be registered and must be parked only in the recognized motorcycle parking areas.
5. Graduate students may request special parking privileges valid weekdays from 5 p.m. to 7 a.m. and anytime on weekends, except during event restrictions. Selection of lots will be determined by Parking Services and are granted on a space-available basis.
6. A Syracuse University vehicle registration does not permit other members of the registrant's family or friends to operate the registered vehicle.

Permit Refund Policies

CANCELLATIONS

Individuals may cancel their parking privileges by removing the parking permit from the vehicle and returning it to Parking Services. Unwillingness to remove the permit is not a valid reason for not surrendering it. Refunds will be authorized only upon presentation of the permit to Parking Services.

REFUNDS

Refunds will be computed when permits are returned, based upon the weekly rates. If an individual has an outstanding balance for violation charges, any credits will be applied to the balance before a refund is issued.

REPLACEMENT CHARGE

There is no charge for a replacement permit when registering a replacement vehicle or changing lot designation if the old permit is turned in.

If an individual fails to remove the permit from a registered vehicle, or if no permit is turned in when changing lots, there is a replacement charge of $15.

Charges

Any charges and expenses incurred by the University for towing or relocating a vehicle will be charged against the registrant without regard to whether the registrant was operating the vehicle. In the case of nonregistration, the charge shall be assessed against the person who should have registered the vehicle, or, if there is more than one, all concerned will be liable for the charge.

Charges shall become effective on the day issued and are payable within a period of 14 days from the date of issuance. Payment may be made in person by cash, check, or credit card (MasterCard or Visa) at Parking Services. Payment may also be made in the form of a check mailed to Syracuse University, Parking Services, 621 Skytop Road, Syracuse NY 13244-5300. Checks must be payable to Syracuse University. The violator's copy of the ticket must be included with payment. Failure to resolve outstanding balances may result in additional charges and collection action.

Students may be held responsible for any vehicle registered to any member of their families. It is the responsibility of the students to inform members of their families of the regulations.

The University reserves the right to have the vehicle of any person physically removed (towed) from its campuses or immobilized at the driver's or registrant's expense.

Parking information is available upon request from Syracuse University, Parking Services, 621 Skytop Road, Syracuse NY 13244-5300, telephone 315-443-4652.
