Law students pay the College of Law tuition rates for all courses taken at Syracuse University, including courses taken outside of the College of Law in other SU schools and colleges. In addition, students who are enrolled in a joint degree program with the College of Law pay College of Law tuition rates for the duration of the joint program.

Graduate students who take a combination of main campus, University College, or extended campus courses are charged as follows:

- Full-time: pay main campus per credit rate.

(3) During summer sessions, students will be charged 60 percent of the undergraduate tuition rate for courses audited regardless of the number of credits for which they are registered.

Winterlude - (main campus)

Winterlude classes are condensed online classes held between the fall and spring semesters.
Very Important: The cost of a Winterlude course is separate and in addition to any tuition costs you may incur in the traditional spring term. For example, if as an undergraduate, you register for 12 to 19 hours in the spring, you will be charged our published flat rate of tuition plus the additional prevailing cost for the Winterlude course. Winterlude classes are not covered by the Prepaid Tuition Plan. If you have any questions on this, call the Bursar's Office at 315-443-2444 or e-mail Bursar@syr.edu.

DROPPING A WINTERLUGE CLASS:
Winterlude classes have unique deadlines that do not follow the published official term deadlines for spring 2015 classes. As a Main Campus student you will have access to drop these classes online through *December 12, 2014, the end of schedule adjustments. If you wish to drop the class after that, you must contact your home college. They will facilitate the drop on your behalf.

Note: *December 19, 2014, is the financial drop deadline. If you should miss this date, you will be responsible for the total cost of the class.

*These dates are subject to change.

SU students registered for courses at SUNY ESF or SUNY Upstate Medical University:
As an SU student, should you enroll in any course(s) offered by either of these state institutions during the fall or spring semesters, and are billed by Syracuse University, you are subject to SU tuition rates and fees as detailed in this publication. If you have additional questions, please call the Bursar's Office at 315-443-2444.

OVERLOAD RATE EXCEPTION (20 CREDITS OR OVER)
Renée Crown University Honors Program
Honors Program students in good standing who register for more than 19 credits in a given semester will not be charged for additional (over 19) credits if they meet the following criteria: (a) a cumulative GPA of 3.5 or higher at the beginning of the semester for which the overload was approved, and (b) no outstanding incomplete grades.

Juniors and Seniors
Juniors and seniors who receive permission from their college to carry a credit overload may request not to be charged for additional credits (over 19) if they meet the following criteria: (a) a cumulative GPA of 3.5 or higher at the beginning of the semester for which the overload was approved, and (b) no outstanding incomplete grades.

RATE EXCEPTION (LAST SEMESTER SENIOR)
Undergraduates enrolled in a four year program who have completed eight regular* semesters of academic work as full-time students on main campus and who have eleven or fewer credits to complete toward their bachelor's degree may petition through the dean of their home college to take these credits during their last semester at the University College tuition rate without being required to transfer to University College.

Undergraduates enrolled in a five year program must have completed ten regular semesters of academic work as full-time students on main campus to qualify for the rate exception.

Students who are able to complete their degree requirements in fewer than eight or ten regular semesters, e.g. due to increased course loads per semester or course work completed during summer, are not eligible for this rate exception.

* fall and spring semesters

ACADEMIC FULL-TIME STATUS
Undergraduate Students
Registration for 12 or more credit hours confers full-time academic status on an undergraduate student during any semester (fall, spring, and summer). Engineering and Computer Science students registered in the cooperative education program for zero hours in semesters when they are on work assignments are considered to be full-time.

Graduate Students
A graduate student is considered full-time when:
(1) Registered for full-time study (9 credits in the fall, spring, or summer in a program approved by the student's advisor), or
(2) Holding an appointment as a graduate assistant or fellow and registered for the semester (fall or spring only).
(3) Registered for fewer than 9 credits, but at least for zero credits of thesis, dissertation, or degree in progress, and engaged, at a level equivalent to full-time study, in one or more of the following activities, as appropriate and certified by the student's program:
– Studying for preliminary, qualifying, or comprehensive exams;
– Studying for a language or tool requirement;
– Actively working on a dissertation or thesis;
– An internship

College of Law Students
Registration for 12 or more credits confers full-time status on a law student during a fall or spring semester. In the case of students matriculated in joint degree programs, one of which is the J.D. degree, this requirement for full-time status takes precedence over the 9-credit criterion for full-time status as stated in (1) above.
SATISFACTORY ACADEMIC PROGRESS FOR GOVERNMENT-SPONSORED AND UNIVERSITY FINANCIAL AID

The policy on satisfactory academic progress for government-sponsored and university financial aid is available on the “Policies” section of the Office of Financial Aid and Scholarship Programs web site, syr.edu/financialaid.

FLEXIBLE FORMAT CLASSES

Syracuse University matriculated and non-matriculated students may take flexible format classes to fulfill program requirements. Flexible format classes offer alternatives and convenience, allowing choices about where, when, and how your learning occurs. You are advised to pay close attention to these deadlines when you enroll for these courses. You may view the financial deadline for each class online. While they have the same academic standards and expectations as regular traditional semester courses, flexible format courses:
- Do not coincide with the designated meeting patterns associated with the University’s published official terms; and
- Have unique academic and financial deadlines

Housing Advance

All returning single students applying for space in University housing must make a $450 housing advance payment to the Bursar Operations Office. New students must complete an on-line Housing and Meal Plan Application with the required housing advance payment after acceptance to the University. A full refund of the deposit will be processed through July 1 for undergraduate students for cancellation of housing for reasons of withdrawal from the University, academic disqualification, attendance at an off-campus academic program, or medical leave of absence. After July 1 for undergraduate students, refunds will be processed for students who leave the University involuntarily for reasons such as academic dismissal or medical leave. Students not obligated to the University’s two-year housing requirement who select rooms during the lottery process may cancel their assignment online to reside off campus through May 1, 2014 and will be charged a $450 cancellation fee. After May 1, 2014, the academic year housing commitment is financially binding regardless of class standing unless the student withdraws from the University. Students not in attendance on the main campus for the fall semester are governed by housing deposit policies stated previously.

Residency Requirement Fee

Syracuse University requires students to reside in University housing during their first two years of enrollment, regardless of class standing. Students will be financially responsible for the cost of University housing attributable to the mandatory periods, even if they fail to occupy University housing as required. The fee will be charged on a semester basis and will equal the cost of a South Campus two-bedroom apartment.

Room Change Charges

Adjustments to charges as a result of a room change during the semester are computed on a weekly prorated basis.

Damage Charges

All charges for damage to University property assessed by the Housing Office are to be paid to Bursar Operations. Charges will appear on the billing statement from Bursar Operations.

Termination

Terms of cancellation are described in the publication Terms and Conditions of Student Housing 2014-2015. The University reserves the right to evict students who do not comply with Terms and Conditions of Student Housing.

Payment Policies

All charges must be paid in full on the date established by the University for each semester. The only exception to this policy is for students enrolled in the Monthly Payment Plan or the Student Deferred Tuition Plan who have made all required payments before registration.

Payment may be made electronically through the use of various options detailed on our web site at bursar.syr.edu. In addition payment may also be made by check. Clearly indicate the student’s University I.D. number on the check and return it with the remittance document in the envelope provided. Checks must be in U.S. dollars, drawn on a U.S. bank. In the event that checks are not drawn on a U.S. bank and/or not payable in U.S. funds, the student account will be credited for the dollar value of the check, and will be charged for any unavoidable service charges incurred while processing the payment. No two-party checks will be accepted as payment for any University financial obligation. Postdated checks will not be accepted or held.

It is the responsibility of the student who is receiving financial aid from any source to ensure that the financial aid is available at the time of registration.

Students who are to receive tuition benefits from their employers paid directly to SU must present a signed letter of authorization indicating a billing address and the number of credits for which the employer is accepting responsibility.

Undergraduate Students - Main Campus
All charges must be paid in full on or before August 1 for the fall semester and on or before December 15 for the spring semester.

Graduate Students
All charges must be paid by the due date per the billing statement sent in September for fall and February for spring.

College of Law Students
All charges must be paid in full on or before August 1 for the fall semester and on or before December 15 for the spring semester.

University College Students
University College students registering online must make payment arrangements at the time of registration.

UC students who register on the web via MySlice must submit payment option forms within 7 business days of registering. Web registrations without payment option forms and any necessary down payment within 7 business days are subject to cancellation at the discretion of the University College Bursar and Registration Office. A student must make payment arrangements or drop a class according to the published deadline dates. Failure to do so will result in continuing financial responsibility for charges assumed during enrollment. Available payment options can be found in the Studies at Syracuse University/University College Course Schedule, on the web at www.uc.syr.edu, or by calling the UC Bursar/Registration Office at 315-443-4135.

Monthly Payment Plan
The Monthly Payment Plan is available to all main campus undergraduates, graduates, law students, and students registered through Syracuse University Abroad. SUNY College of Environmental Science and Forestry students may use the plan for meal plan charges. There is an annual non-refundable application fee of $70 for participation in the plan.

The Monthly Payment Plan combines the elements of a deferred payment and a prepayment program. The total charges for each semester must be paid in monthly installments that will be recalculated based on account activity.

If you participate in this plan for the fall semester, your fall semester charges must be paid in full in November. If you participate in this plan for the spring semester, your spring semester charges must be paid in full in May. Graduate students’ payment plans are a three month duration with the first bill for fall sent in September and the first bill for spring sent in January.

Payment plan billing for fall semester begins in June and in November for spring semester. Students desiring to use the Monthly Payment Plan are encouraged to sign up as soon as possible to realize the maximum number of months over which to pay the balance due. A Monthly Payment Plan application must be completed each year.

There is no interest charge or finance charge (zero percent annual percentage rate) imposed for use of the Monthly Payment Plan. The application fee of $70 will be billed to you and included in your schedule of payments. Application forms for this plan may be obtained from Bursar Operations, Syracuse University, 102 Archbold North, Syracuse NY 13244-1140, or on the web at bursar.syr.edu.

Continued participation in the Monthly Payment Plan is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has previously not complied with the terms of the monthly payment plan billing schedule.

Prepaid Tuition Plan
The University’s Prepaid Tuition Plan allows freshman students to prepay eight consecutive semesters (four fall and four spring, summer study and Winterlude are not included), thereby locking in the rate of tuition in effect at the time of the plan’s initiation. Payment must be received by August 1 just before the first term of the student’s matriculation. This plan is available only to full-time Main Campus undergraduate students awarded less than $8,000 per year in institutional aid. We also recommend discussing this plan with your tax advisor. For a copy of the Prepaid Tuition Plan Agreement that governs this plan, please contact the Bursar’s Office: Bursar’s Office, Syracuse University, 102 Archbold North, Syracuse NY 13244-1140: 315-443-2444; or bursar@syr.edu.

Financial Hold and Registration Eligibility
A financial hold results when financial obligations, billed by the University, have not been satisfied by the due date indicated on the billing statement. A financial hold can be the result of a past due balance for tuition, room, meal plan, and fees; SU bookstore charges; or fines assessed by the library or parking services.

A financial hold condition prohibits a student’s eligibility to participate in the registration process or to receive a transcript or diploma.
Fees

Undergraduate students who registered in April for their fall courses and law students who matriculated prior to August 1, will have to pay their fall bill on or before August 1 in order to secure their class schedules. Students who are on the Monthly Payment Plan must be current with their monthly payments in order to secure their class schedules.

A student whose registration schedule is canceled due to a financial hold may be closed out of the classes for which he/she had previously registered. A $50 late registration fee will be imposed.

Entering undergraduate students who registered over the summer must have their fall semester bills paid on or before August 1, or be current on the Monthly Payment Plan in order to secure their class schedules. If payment is not received on or before August 1, the course schedule may be canceled meaning the student may have to re-register when he/she arrives on campus in August.

To avoid financial hold, please pay all University bills by the due date noted on the billing statements. Monthly Payment Plan participants should make sure that payments are received no later than the due date of their monthly statement. Billing address information should be kept up-to-date to ensure that you receive your statements in a timely fashion.

Shared Account Access/E-Billing

Students may grant third-party access to their student account through MySlice.syr.edu. Third-party access must be set up for anyone along with the student to receive E-bill notification as we transition to paperless billing.

ATHLETIC ACTIVITY ADMISSION FEES

Special prices for admission to University athletic contests and events are extended to full-time Syracuse University and SUNY College of Environmental Science and Forestry students.

For purposes of athletic admission, full-time status is determined by the same criteria that determine "Academic Full-Time Status," which is explained on page 5 of this publication. Admission to any athletic event by using a student ticket is contingent upon producing a currently validated I.D. card. The laminated, machine readable photo I.D. must be presented at the time of admission. It is the responsibility of each student to make sure he or she maintains appropriate validation.

Spouses and dependent children purchasing tickets through a qualified student must have an I.D. card made at the I.D. card office and present the card in the same manner as a student when entering an event. Validation requirements are the same for spouses and children as for students.

The Syracuse University Athletic Department reserves the right to refuse admission to any party failing to present proper identification.

Student tickets are nontransferable. Resale of tickets to individuals ineligible for their use may result in disciplinary proceedings against the student as well as suspension of all admission privileges extended to the original ticket holder.

Football Season Tickets

Each full-time, main campus student currently registered at one of the institutions indicated may purchase a season ticket for the home football games occurring while Syracuse University is in session.

Spouses and dependent children of qualified students may also purchase football season tickets at the student ticket price with a valid Syracuse University I.D. card. I.D. cards for spouses and dependent children may be obtained through the I.D. card office in Steele Hall. Dependents wishing to avail themselves of the student ticket privileges should obtain their I.D. cards immediately after registration to allow time for processing of the cards.

The SU student season ticket seating area on the lower level is a modified general admission area. SU Student football season ticket holders wishing to sit in this area on game day must report to Gate E of the Carrier Dome to enter the facility. Presentation of the student's own, valid student I.D. card for validation is required, upon which they will receive a wristband for sitting in that area. Student seating in the general admission area is first-come, first-served. Once the lower level student area is full, any later arriving students will be required to sit in the third level student seating area.

Students, spouses, and dependents who purchase season tickets are not entitled to purchase additional reduced price individual game tickets.

Men's Basketball Season Tickets

The student basketball season ticket package includes one ticket to each of the regular season home games occurring while SU is in session. Due to the timing of this publication, the exact number of games to be included in the men's basketball season package is not known. All regular season games that occur during Thanksgiving, Christmas, and spring break are not included in the season ticket package. Tickets for these games may be purchased at the regular reduced student price.

The same general rules and guidelines that apply to the sale of student football tickets also apply to the sale of student tickets for men's basketball.

Women's Basketball

Men's and Women's Lacrosse Tickets

SU students can enter any home women's basketball, women's lacrosse, or men's lacrosse game free-of-charge by displaying their valid SU I.D. card at any open Carrier Dome entrance. All student seating for women's basketball and men's and women's lacrosse is general admission.

OTHER ATHLETIC EVENTS

SU students can attend free-of-charge any home SU athletic contest that takes place at a campus venue other than the Carrier Dome by displaying their valid SU I.D. card at the time of entry.

Students enrolled in a class offered by the Department of Exercise Science in the Women’s Building only may rent a lock and locker for $20 for the semester. Students must provide a copy of the PED class schedule at Recreation Services, 241 Archbold Gym.

A currently validated I.D. card for SU, ESF, or University College is required for admission to all facilities.

**University College**

University College (UC) serves all Syracuse University students during the summer. During the fall and spring, UC serves all matriculated part-time undergraduates as well as all non-matriculated and non-credit students.

Students may elect to audit a course at 60 percent of the full tuition rate (see exceptions below). Students must submit a completed Grading Option Application to the University College Bursar and Registration Office by the elect/aud course deadline. If the registration will be changed to credit and the student will be billed the difference in tuition to the credit rate.

Senior citizens, who are 65 or older on the first day of the term, may be eligible to pay one-third of the regular tuition for some UC credit courses on a space-available basis. Registration rules differ from regular registration and the discount does not apply to courses with limited space or those requiring extensive individualized instruction. Contact the UC Bursar/Registration Office or consult the Part-Time Course Schedule for details.

Charges for Humanistic Studies Center and informal non-credit courses and programs vary. Their specific Schedule of Courses should be checked for exact rates.

University College non-matriculated graduate students may take undergraduate courses at the undergraduate tuition rate. Graduate students taking a 500-level class for undergraduate credit, or electing to audit a 500-level or undergraduate level class may do so with appropriate approvals and required paperwork, and pay the appropriate undergraduate tuition rate.

**INTRA-UNIVERSITY TRANSFER TO UC**

Undergraduate students who complete an intra-University transfer to University College and register during the designated enrollment period for each semester are charged University College rates. Full-time students who register on the main campus for a University College course are charged Syracuse University rates.

No student may transfer from main campus to University College to enroll in a non-credit course. Full-time students on the main campus must register separately at University College for these courses and pay the tuition in full.

Undergraduate students enrolled full time during the spring semester and who intend to register full time for the fall semester may not transfer to University College part-time status for the summer.

**Student Deferred Payment Plan**

**UNIVERSITY COLLEGE STUDENTS—SUMMER**

All students who register online must sign a promissory note and pay 25 percent of the total anticipated charges at the time of registration. The balance is due in one installment on the invoice due date. Students will be billed on the first invoice date immediately following registration. Since summer billing is scheduled to begin on approximately the 2nd day of the first summer session, students who choose to register just before the session begins may find that the posting of the down payment and invoice production overlap. In addition, students who early register for the second summer session will be billed and have payment due prior to the beginning of that session.

**UNIVERSITY COLLEGE STUDENTS—FALL/SPRING**

Students who register online must submit the promissory note and pay 25 percent of the total anticipated charges within 7 business days of registering. The balance is due in three equal monthly installments on the invoice due dates.

Continued participation in Student Deferred Payment Plan is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has not complied previously with the terms of the promissory note.

**Employer Tuition Reimbursement Plan**

**FOR UNIVERSITY COLLEGE AND MAIN CAMPUS STUDENTS**

Students whose employers reimburse tuition only after courses are completed may request that their tuition payments be deferred until approximately 21 days after the semester ends.

Students who register on the web must submit an Employer Tuition Reimbursement Application, Section F, signed by the company representative at the time of registration. Students who register online must submit Section F within 7 business days of registering.

Students are billed and are responsible to pay by the billing invoice due date. Non-reimbursement from your employer for any reason by the invoice due date will not result in an extension to that date. It will also result in a late payment fee and denied participation in the plan for future terms. See the section “Penalties, Late Fee” on page 24.

Continued participation in the Employer Tuition Reimbursement Program is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has not complied previously with the terms of this program.

**Fees**

**LATE REGISTRATION FEE**

A $50 late registration fee is assessed to all students who initially register for the term on or after the first day of the fall/spring term. Registration must be completed prior to the first day of the summer session (not term) in which the class is offered. Please note that registration in flexible format classes is also required before the start of term or summer session. Since these classes are contingent upon enrollment, early registration enables us to confirm class offerings. Classes that are under-enrolled will be cancelled.

**PARKING FEE**

Students attending courses at Syracuse University must have a permit to park in University lots. For vehicle registration and SU parking fees see the “Vehicles” section on page 24.

**Schedule Adjustment Procedures**

University College students with MySlice access can add classes via MySlice through the withdrawal (WD) deadline of the term. There is no longer a need to present a drop form to the UC Bursar/Registration office unless you do not have MySlice access. Note: The amount of any tuition adjustment will be based on the academic deadline in place on the date you drop any full-term class.*

*Flexible format classes are not full-term classes. Flexible format classes start or end outside of the term, or are shorter than the University’s published official term. If your class does not meet for the full term, you must contact the UC Bursar/Registration office at 315-443-4135 or e-mail bursareg@uc.syr.edu for exact deadlines associated with your flexible format class.

Financial aid recipients cannot drop below 6 credits without clearance. You could be responsible to pay the entire tuition amount for the term and you must repay any refund issued to you from that financial aid.
Contact the UC Registration Office for clearance to drop if you have financial aid for the term.

**Fees**

Applied music fees and course fees are determined by the department offering the course and are available by contacting that department. Other fees are listed on pages 9-11.

**Academic/Financial Deadlines**

Syracuse University publishes official deadlines for adding and dropping full-term classes. Students are expected to seek out and know the official deadlines before dropping classes. There are financial repercussions associated with each deadline. You can find the deadlines on the University College website at uc.syr.edu; in the Studies at Syracuse University, University College Credit Course Schedule; in the University College Student Planner; or by calling the UC Bursar/Registration office at 315-443-4135. Please note that flexible format classes are classes that do not meet for the full term. Those classes have unique deadlines that do not concur with the University’s published official deadlines. Please call the UC Bursar/Registration office at 315-443-4135 for the deadlines associated with your flexible format class.

For further information, contact Syracuse University, English Language Institute, 700 University Avenue, Room 207, Syracuse NY 13244-2530, 315-443-2390, e-mail: elmail@uc.syr.edu, on the web: http://eli.syr.edu.

**Fees**
Summer at Syracuse is a division of University College.

Registration and Payment:
Main Campus students, as well as UC/ISDP students, should contact UC for any information related to registration and payment. The UC Bursar/Registration office is located at 700 University Ave. and can be reached by phone at 315-443-4135 or e-mail at bursareg@uc.syr.edu.

Main Campus students register via MySlice and will be billed for their summer charges. All UC students who show a payment due now on the payment page of the UC online registration process are required to choose a payment option at the time of registration. Any registration without necessary payment information is subject to cancellation at the discretion of the UC Bursar/Registration office. Failure to either make payment arrangements or drop the classes according to the published deadline dates will not clear the student of the financial responsibility assumed upon enrollment.

Dropping Classes and Financial Deadlines:
All Main Campus and University College students with access to register via MySlice can drop classes via MySlice through the withdrawal (WD) deadline of the summer session in which the class is offered. NOTE: The amount of any tuition adjustment will be based on the academic deadline in place on the date you drop any full-session class*.

Syracuse University publishes official deadlines for dropping full-session summer classes. Students are expected to seek out and know the official deadlines before dropping classes. There are financial repercussions associated with each deadline. Deadlines are available online at summer.syr.edu or in the Studies at Syracuse University, University College Summer Course Schedule, or by calling the UC Bursar/Registration office at 315-443-4135.

*Flexible format classes are not full-session classes. Flexible format classes start or end outside of the session, or are shorter than the session in which they are scheduled. If a class does not meet for the full session, the student must contact the UC Bursar/Registration office at 315-443-4135 or bursareg@uc.syr.edu for exact deadlines associated with the flexible format class.

Fees:
The Main Campus undergraduate Student Activity Fee of $12 will be charged only once during the summer, at the time of registration. Applied music fees and course fees are determined by the department offering the course, and are available by contacting that department. Other fees are listed on the “FEES” pages of this booklet.

Late Registration Fee:
A $50 late registration fee is assessed to all students who initially register for a summer session on or after the first day of the session. Students will be assessed a late registration fee for each session in which the student registers on or after the first day of that session. Please note that registration in flexible format classes is also required before the start of the summer session. Since these classes are contingent upon enrollment, early registration enables us to confirm class offerings. Classes that are under-subscribed will be cancelled.

Intra-University Transfer to UC:
Main Campus undergraduate students enrolled full time during the spring semester and who intend to register full time for the fall semester may not transfer to University College for the summer.

Billing:
Main Campus undergraduate students who register before May 9, 2014 for summer 2014 will be billed on May 9 with a bill due date of June 2. Any remaining charges will be billed with the fall billing statement and payment is due by the invoice due date to confirm the student’s fall 2014 schedule.

Main Campus graduate students, as well as all UC/ISDP students, will be billed on the next summer invoice date immediately following their registration, regardless of the session in which the class is held. Invoice dates are available by calling the UC Bursar/Registration office at 315-443-4135.

The student Deferred Payment Plan is available to any UC/ISDP student completing the online registration process. This payment option consists of a 25% down payment at the time of registration. The balance will be invoiced on the next summer bill date and is DUE IN FULL on the invoice due date.

New York State Tuition Assistance Program

Tuition assistance program aid is calculated and awarded based on student income and, if applicable, parental or spousal income, as reported on New York State income tax returns.

Upon completing a financial aid application (FASFA), which is now available on the internet at www.fafsa.gov, a direct link to the New York State Tuition Assistance Program (TAP) application is automatically available. Higher Education Services Corporation will mail a request for information to the student if any further information is required. The student must complete the request for information for determination of a TAP award.

A student may receive a New York State TAP grant, provided he or she meets the following:

(1) is a resident of New York State for one year immediately preceding the term for which aid is requested and has established permanent residence;

(2) is a citizen of the United States or permanent resident alien or a paroled refugee;

(3) is a matriculated full-time student (12 credit hours or more per state requirement) in an approved program of study (courses taken for audit and certain credit courses that are being repeated may not count toward full-time eligibility for TAP certification);

(4) meets program pursuit requirements and maintains satisfactory academic progress. For further details, view the “Policies” section of the Office of Financial Aid and Scholarship Program’s web site, syr.edu/financialaid.

(5) after receiving four semesters of TAP aid, undergraduates must have a cumulative C (2.0) average to receive the fifth and subsequent payments of TAP;

(6) has officially declared a major/program of study prior to the first day of classes of the junior year (junior status is defined as having earned 54 credits);

(7) does not exceed the New York State net taxable income eligibility guidelines.

(8) part-time students at approved schools in New York State who were first-time, full-time freshmen in 2006-07 may be eligible for part-time TAP beginning in 2007-08. Part-time TAP is not the same as Aid for Part-Time Study.

In addition to the existing TAP eligibility rules for full-time students, to be eligible for part-time TAP, a student must:

- Be a first-time freshman in the 2006-07 academic year or thereafter;
- Have earned 12 credits or more in each of two consecutive semesters, for a minimum total of 24 credits earned;
- Maintain a minimum “C” average.

AFTER FOUR PAYMENTS HAVE BEEN MADE, the annual payment for undergraduates may be reduced by $200.

Tuition assistance funds may be used only toward tuition.

Students who are recipients of the SU tuition waiver program or athletic scholarships are required to apply for TAP awards. These students may use TAP funds to pay any additional tuition charges incurred that are not covered by their tuition scholarship. Applicants for the SU Tuition Waiver Program are required to apply in a timely fashion for a New York State TAP award each year benefits are being used. An exemption from the New York State TAP award is available if certain income or residency requirements are satisfied. For more information on the New York State TAP award exemption filing process, please contact the University's Bursar Office. New York State Awards Coordinator at 315-443-4800. Failure to apply for a New York State TAP award or satisfy the exemption requirements will result in a $1,000 reduction of the waiver ($500 each semester). All New York State awards and minimum award amounts are subject to change or elimination pending New York State legislation.

The New York State Higher Education Services Corporation also administers various scholarship and fellowship programs for undergraduates and graduates. The eligibility requirements for these programs are the same as for TAP grants, with the exception of income limitations. These programs may also have unique requirements that must be met.

Additional information is available at the Syracuse University Bursar Operations Office, 102 Archbold North, or contact New York State Higher Education Services Corporation, 99 Washington Avenue, Albany NY 12255; by phone at 1-888-697-4372; or by visiting their web site at hesc.com/.
Remitted Tuition Benefits

Eligibility

The awarding of Remitted Tuition is administered by the Office of Human Resources. Remitted Tuition provides credit hours for eligible employees/retirees and their spouses/same-sex domestic partners for undergraduate and graduate study at Syracuse University or University College. Employees using Remitted Tuition benefits for themselves receive a full tuition waiver. Employees’ spouses or same-sex domestic partners who receive benefits transferred from an employee will receive a tuition waiver of 85 percent. For more information on tuition credit use, availability and expiration, please view the Human Resources web site:
http://humanresources.syr.edu/benefits/tuition-benefits-overview/remitted-tuition-benefits/or contact the Office of Human Resources at 315-443-4042.

Remitted Tuition Taxation

Below you will find the current tax rules relating to a remitted tuition benefit (RTB). As with all tax rules, these are subject to change by the U.S. Congress. In the event that the tax rules change, the new rules will be posted on the Comptroller’s Office website at http://comptroller.syr.edu under the “Taxes” section when they become available from the Internal Revenue Service.

RTB used by an eligible University employee for qualifying graduate-level courses is tax free up to $5,250 per calendar year. (This tax free treatment assumes the applicable requirements of the Syracuse University Educational Assistance Plan have been satisfied.)

RTB used by an eligible employee for graduate-level courses in excess of the annual $5,250 limit is generally taxable to the employee, and subject to tax withholding by the University at the time the benefit is used. Internal Revenue Service regulations and applicable court decisions set forth circumstances under which graduate-level courses in excess of the annual $5,250 limit taken by eligible employees using RTB may be non-taxable.

RTB used by the spouse of an eligible University employee for graduate-level courses generally is taxable to the employee, and subject to tax withholding at the University at the time the benefit is used.

RTB used by an eligible University employee or the spouse of an eligible University employee for undergraduate courses generally is tax free.

SU Tuition Waiver Program

Eligibility

The awarding of the SU Tuition Waiver Program is administered by the Office of Human Resources. It is important to note that the tuition waiver is not automatically activated with a student's acceptance to the University by the Office of Admissions. For more information on the SU Tuition Waiver Program, please view the Human Resources website:
http://humanresources.syr.edu/benefits/tuition-benefits-overview/dependent/or contact the Office of Human Resources at 315-443-4042.

Cooperating Agencies

Cooperating agencies that provide field instruction for Syracuse University students receive tuition credits. Each agency authorizes those individuals who are eligible to use tuition credits in accordance with the agency’s contractual agreement with the University.

Tuition credits are not available for use until the semester following the term in which field instruction was provided and may not be applied retroactively to tuition charges incurred during a previous semester. Unused credits are forfeited if not used before or during the semester of expiration.

Outside agency tuition credits may be used in conjunction with any benefits that an individual may be eligible for as a spouse of a University employee.

Determination of taxability, as well as any actual tax withholding, is the responsibility of the agency that authorizes the use of tuition credits.

For further information about Cooperating agencies, contact the Bursar Operations Office at 315-443-5115.

NOTE: Individuals using Outside Agency tuition credits should have their agencies submit the appropriate authorization forms to Special Programs, Bursar Office, at least two weeks prior to registration.

SUNY ESF, Hendricks Chapel, ROTC, and cooperating agencies must contact the Bursar Operations Office at 315-443-5115 for assistance with the use of outside agency credits.

TUITION ASSISTANCE used by Syracuse University campus employees of ROTC and of Hendricks Chapel (who are not otherwise benefits eligible employees of Syracuse University) for undergraduate or graduate level courses is taxable income to the employee of ROTC and of Hendricks Chapel. The value of the RTB will be reported by Syracuse University on Form 1099 to the IRS and to employees of ROTC and of Hendricks Chapel who use it.

Refunds

If a student drops a course by the financial drop deadline during the fall or spring semester (for summer refer to financial deadline dates on page 3) and has no tuition liability, the remitted tuition benefit or tuition credit for that course will be restored.

University College 50 percent and 25 percent tuition adjustments do not apply to remitted tuition benefit recipients.
Refund Policies

General Criteria

Students can request a refund resulting from an overpayment by submitting a request either directly to Bursar Operations, located at 102 Archbold North, or via the web at MySlice.syr.edu. Refunds will be available for pick-up at Cash Operations, Schine Student Center, or by direct deposit. Sign up on myslice.syr.edu for Direct Deposit. All tuition refunds for withdrawing students are determined by Bursar Operations based on the date of the leave of absence, withdrawal, add/or drop using either our established policies or the federal regulations governing such matters, depending on which policy is to the student's advantage.

The University may exercise the right of offset, meaning that a refund could be subject to adjustment if necessary to ensure University obligations are satisfied.

Students may elect to have excess funds remain on their accounts, understanding that any interest earned on these funds will be retained by the University to be used in its general operation. Students may at any time cancel such a request and receive a refund of excess funds.

LEAVE OF ABSENCE AND WITHDRAWALS FROM THE UNIVERSITY

Any student, prior to the 60 percent point in time in the period of enrollment, who withdraws, drops out, or is suspended or expelled from the institution, or otherwise fails to complete the program on or after his or her first day of classes, will be entitled to a refund of unearned tuition, fees, and other similar charges for attendance calculated on the following basis:

(1) 100 percent of tuition, fees, and other similar charges less an administrative fee of $100 will be refunded if the separation from the University occurred before 5 p.m. on the last day of the financial drop period. 73 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 27 percent of the enrollment period; 66 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 24 percent of the enrollment period; 60 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 40 percent of the enrollment period; 53 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 47 percent of the enrollment period; 46 percent of tuition, fees, and other similar charges will be refunded if separation occurs before 5 p.m. on the day that marks the end of 54 percent of the enrollment period; 40 percent of tuition, fees, and other similar charges will be refunded if separation occurs before 5 p.m. on the day that marks the end of 60 percent of the enrollment period.

(2) Students who are withdrawn from the University for academic reasons are eligible for a full tuition refund.

(3) Students who take a leave of absence or withdraw for medical reasons must submit medical documentation to one of the following units: Health Services or the Counseling Center. Within 60 days of when the request was initiated to qualify for the special refund consideration we extend under these circumstances (whether student or University-initiated) for tuition only. Otherwise, standard University policies will apply. Medical refunds, excluding the administrative fee of $100, will be based on the effective date of the leave and will be prorated using the total number of class days in the period of enrollment as the base number for the daily calculation.

(4) Students who have submitted documentation indicating they have been called to active duty by any of the United States Armed Forces may request a tuition refund and prorated refund of housing and meal plan charges covering the semester for which they are enrolled.

Card Service Center. Documentation of the student’s withdrawal from the University must be furnished to the Housing, Meal Plan, and I.D. Card Service Center at the time of cancellation.

If the Housing, Meal Plan, and I.D. Card Services Center is not notified by the last day of final exams in December of the student's plans to leave the University for the spring semester, there is a cancellation charge of $450. This applies to students who graduate, participate in an off-campus academic program (e.g., semester abroad), or withdraw from the University.

Cancellation of housing lottery assignments by students to reside off campus (those students not obligated to the two-year housing requirement) or to commute from home will be assessed a $450 cancellation fee.

FULL-TIME UNDERGRADUATE AND COLLEGE OF LAW STUDENTS

Within First Three Weeks of Classes

There will be no charges or credits for courses added or dropped within the 12 to 19 credit range. Credits added in excess of 19 will be charged on a per credit basis. Tuition for credits dropped outside the 12 to 19 credit range will be credited at 100 percent.

After Third Week of Classes

Charges for courses added or dropped after the financial deadline, which is three weeks from the first day of classes, will be based on the number of credits for which a student is registered on the day of the financial deadline. Therefore:

(2) tuition will be charged for all credits added above 19 credits, regardless of the number of credits dropped.

Example 1

Example 2
You are registered for 18 credits. After the financial deadline for dropping courses, you drop a two-credit course and add a three-credit course. Although you are now registered for 19 credits, you will be charged for 21 credits because you are not entitled to a refund for the 2 credits dropped after the financial deadline.

Example 3
You are registered for 15 credits. After the financial deadline you add a three-credit course. You are now registered for 18 credits; you will not be charged additional tuition because you remained within the 12 to 19 credit range.

Requests for exceptions to this regulation must be made through Parking Services, 621 Skytop Road. All requests must be made in writing each time a vehicle is registered and approved before the vehicle is brought to campus.

2. Garage permit holders may park in any available space within the garage except those which are marked as reserved.

4. Motorcycles and mopeds are permitted in certain campus areas. Motorcycles and mopeds must be registered and must be parked only in the recognized motorcycle parking areas.

5. A Syracuse University vehicle registration does not permit other members of the registrant’s family or friends to operate the registered vehicle.

Permit Refund Policies
CANCELLATIONS
Individuals may cancel their parking privileges by removing the parking permit from the vehicle and returning it to Parking Services. Unwilling-ness to remove the permit is not a valid reason for not surrendering it. Refunds will be authorized only upon presentation of the permit to Parking Services.

REFUNDS
Refunds will be computed when permits are returned, based upon the posted rates. If an individual has an outstanding balance for violation charges, any credits will be applied to the balance before a refund is issued. No refunds under $10 will be processed.

REPLACEMENT CHARGE
There is no charge for a replacement permit when registering a replacement vehicle or changing lot designation if the old permit is turned in.

If an individual fails to remove the permit from a registered vehicle, or if no permit is turned in when changing lots, there is a replacement charge of $15.

Charges
Any charges and expenses incurred by the University for towing or relocating a vehicle will be charged against the registrant without regard to whether the registrant was operating the vehicle. In the case of nonregistration, the charge shall be assessed against the person who should have registered the vehicle, or, if there is more than one, all concerned will be liable for the charge.

Charges shall become effective on the day issued and are payable within a period of 14 days from the date of issuance. Payment may be made in person by cash, check, or credit card (MasterCard or Visa) at Parking Services. Payment may also be made in the form of a check mailed to Syracuse University, Parking Services, 621 Skytop Road, Syracuse NY 13244-5300. Checks must be payable to Syracuse University. The violator’s copy of the ticket must be included with payment. Failure to resolve outstanding balances may result in additional charges and collection action.

Students may be held responsible for any vehicle registered to any member of their families. It is the responsibility of the students to inform members of their families of the regulations.

The University reserves the right to have the vehicle of any person physically removed (towed) from its campuses or immobilized at the driver’s or registrant’s expense.

Parking information is available upon request from Syracuse University, Parking Services, 621 Skytop Road, Syracuse NY 13244-5300. Telephone 315-443-4652.
