**College of Law**

Law students pay the College of Law tuition rates for all courses taken at Syracuse University, including courses taken outside of the College of Law in other SU schools and colleges. In addition, students who are enrolled in a joint degree program with the College of Law pay College of Law tuition rates for the duration of the joint program.

Non-matriculated students who enroll in law courses will pay the College of Law tuition rate. Non-matriculated students who audit law courses are subject to the law student audit policy.

**Winterlude - (main campus)**

Winterlude classes are condensed online classes held between the fall and spring semesters.

**Very Important:** The cost of a Winterlude course is separate and in addition to any tuition costs you may incur in the traditional spring term. For example, if as an undergrad student, you register for 12 to 19 hours in the spring, you will be charged our published flat rate of tuition plus the additional prevailing cost for the Winterlude course. Winterlude classes are not covered by the Prepaid Tuition Plan. If you have any questions on this, call the Bursar’s Office at 315-443-2444 or e-mail Bursar@syr.edu.
DROPPING A WINTERLUDE CLASS:
Winterlude classes have unique deadlines that do not follow the published official term deadlines for spring 2016 classes. As a Main Campus student you will have access to drop these classes online. Drop deadlines are available by consulting MySlice > My Class Schedule or by viewing Financial Deadlines after you have registered.

SU students registered for courses at SUNY ESF or SUNY Upstate Medical University:
As an SU student, should you enroll in any course(s) offered by either of these state institutions during the fall or spring semesters, and are billed by Syracuse University, you are subject to SU tuition rates and fees as detailed in this publication. If you have additional questions, please call the Bursar’s Office at 315-443-2444.

OVERLOAD RATE EXCEPTION (20 CREDITS OR OVER)
Renée Crown University Honors Program
Honors Program students in good standing who register for more than 19 credits in a given semester will not be charged for additional (over 19) credits if they meet the following criteria: (a) a cumulative GPA of 3.5 or higher at the beginning of the semester for which the overload was approved and (b) no outstanding incomplete grades.

Juniors and Seniors
Juniors and seniors who receive permission from their college to carry a credit overload may request not to be charged for additional credits (over 19) if they meet the following criteria: (a) a cumulative GPA of 3.5 or higher at the beginning of the semester for which the overload was approved, (b) no outstanding incomplete grades, and (c) registration as a full-time student at Syracuse University for two previous semesters. A copy of the petition approving the overload must be presented to Bursar Operations, where the determination of eligibility for this rate exception will be made.

RATE EXCEPTION (LAST SEMESTER SENIOR)
Undergraduates enrolled in a four year program who have completed eight regular* semesters of academic work as full-time students on main campus and who have eleven or fewer credits to complete toward their bachelor’s degree may petition through the dean of their home college to take these credits during their last semester at the University College tuition rate without being required to transfer to University College.
Undergraduates enrolled in a five year program must have completed ten regular semesters of academic work as full-time students on main campus to qualify for the rate exception.
Students who are able to complete their degree requirements in fewer than eight or ten regular semesters, e.g. due to increased course loads per semester or course work completed during summer, are not eligible for this rate exception.

ACADEMIC FULL-TIME STATUS
Undergraduate Students
Registration for 12 or more credit hours confers full-time academic status on an undergraduate student during any semester (fall, spring, and summer). Engineering and Computer Science students registered in the cooperative education program for zero hours in semesters when they are on work assignments are considered to be full-time.

Graduate Students
A graduate student is considered full-time when:
(1) Registered for full-time study (9 credits in the fall, spring, or summer in a program approved by the student’s advisor), or
(2) Holding an appointment as a graduate assistant or fellow and registered for the semester (fall or spring only).
(3) Registered for fewer than 9 credits, but at least for zero credits of thesis, dissertation, or degree in progress, and engaged, at a level equivalent to full-time study, in one or more of the following activities, as appropriate and certified by the student’s program:
– Studying for preliminary, qualifying, or comprehensive exams;
– Studying for a language or tool requirement;
– Actively working on a dissertation or thesis;
– An internship

College of Law Students
Registration for 12 or more credits confers full-time status on a law student during a fall or spring semester.
In the case of students matriculated in joint degree programs, one of which is the J.D. degree, this requirement for full-time status takes precedence over the 9-credit criterion for full-time status as stated in (1) above.
Tuition/Housing

SATISFACTORY ACADEMIC PROGRESS FOR GOVERNMENT-SPONSORED AND UNIVERSITY FINANCIAL AID
The policy on satisfactory academic progress for government-sponsored and university financial aid is available on the “Policies” page of the Office of Financial Aid and Scholarship Programs web site, syr.edu/financialaid.

FLEXIBLE FORMAT CLASSES
Syracuse University matriculated and non-matriculated students may take flexible format classes to fulfill program requirements. Flexible format classes offer alternatives and convenience, allowing choices about where, when, and how your learning occurs. You are advised to pay close attention to these deadlines when you enroll for these courses. You may view the financial deadline for each class online. While they have the same academic standards and expectations as regular traditional semester courses, flexible format courses:
- Do not coincide with the designated meeting patterns associated with the University’s published official terms; and
- Have unique academic and financial deadlines

Housing Advance
All returning single students applying for space in University housing must make a $450 housing advance payment to the Bursar Operations Office. New students must complete an on-line Housing and Meal Plan Application with the required housing advance payment after acceptance to the University. A full refund of the deposit will be processed through July 1 for undergraduate students for cancellation of housing for reasons of withdrawal from the University, academic disqualification, attendance at an off-campus academic program, or medical leave of absence. After July 1 for undergraduate students, refunds will be processed for students who leave the University involuntarily for reasons such as academic dismissal or medical leave. Students not obligated to the University's two-year housing requirement who select rooms during the lottery process may cancel their assignment online to reside off campus through May 1, 2015 and will be charged a $450 cancellation fee. After May 1, 2015, the academic year housing commitment is financially binding regardless of class standing unless the student withdraws from the University. Students not in attendance on the main campus for the fall semester are governed by housing deposit policies stated previously.

Residency Requirement Fee
Syracuse University requires students to reside in University housing during their first two years of enrollment, regardless of class standing. Students will be financially responsible for the cost of University housing attributable to the mandatory periods, even if they fail to occupy University housing as required. This fee will be charged on a semester basis and will equal the cost of a South Campus two-bedroom apartment.

Room Change Charges
Adjustments to charges as a result of a room change during the semester are computed on a weekly prorated basis.

Damage Charges
All charges for damage to University property assessed by the Housing Office are to be paid to Bursar Operations. Charges will appear on the billing statement from Bursar Operations.

Termination
Terms of cancellation are described in the publication Terms and Conditions of Student Housing 2015-2016. The University reserves the right to evict students who do not comply with Terms and Conditions of Student Housing.

All undergraduate students living in North Campus University housing, the Sheraton Hotel, and students residing in the SkyHalls are required to be on a University meal plan. Meal plan options are based on the student’s class standing. Meal plans are arranged on a semester basis, and unless changed, the plan selected for the fall semester will be automatically reinstated for the spring semester.

No refund or reimbursement will be made for the unused portion of any meal plan. Food accounts carryover from fall semester to spring semester, but must be used in full by the end of the spring semester; there are no refunds of unused SUpercard Food accounts.

All meal plans entitle the student to enter a dining center during the hours scheduled for a meal. It is a violation of the Student Code of Conduct to use another student’s SU I.D. card to access the dining center and/or meals. In the case of a lost or stolen I.D. card, the student is responsible for its use until its loss is reported to either I.D. Card Services or Public Safety (after hours and on weekends).

Changes to meal plans will be permitted during the first 10 calendar days after classes commence each semester. Cancellation of meal plans is permitted during the first 10 calendar days after classes commence for students residing off-campus or in a South Campus apartment, leaving North Campus University housing, the Sheraton Hotel, the SkyHalls, or withdrawing from SU. Refunds are computed according to the meal plan refund policy described in the section “SU Refund Policies.”

**SUpercard Food Account**

SUpercard Food is a declining basis debit account that allows students to use their SU I.D. to purchase food and beverages in dining centers, Schine and Goldstein Dining Centers, Kimmel and Brockway Food Courts, all University Food Services snack bars, Food Works and FW II campus groceries, Campus Delivery, Warehouse Café, Starbucks at Campus West, and University Vending machines.

All meal plans include a SUpercard Food account which can be supplemented in increments of $25. SUpercard Food accounts carryover from fall to spring.

There are no transfers or carryovers of unused balances in food accounts after June 30.

SUpercard Food account food and beverage purchases are exempt from the 8 percent New York State sales tax.

SUperefood funds carryover from fall to spring, however, there are no transfers or carryovers of unused balances in food accounts after June 30.</td>
</tr>
</tbody>
</table>

**PLUS Account**

PLUS is a declining balance cash account that provides access to goods and services, other than food, through the SU I.D. card. This account is separate from the SUpercard Food account and can be used for campus washers and dryers, to buy tickets at the Schine Box Office and Carrier Dome Box Office, at the Schine Copy Center, in campus convenience stores, in copiers run by Vending Services in Goldstein Student Center and selected academic buildings (Slocum, Syracuse Stage, Warehouse, and Whitman), in the Orange Shoppe stores in the Carrier Dome, and for all products in the SU Bookstores.

PLUS account balances carryover from the fall semester to spring semester. Unused balances on the PLUS account after Commencement day will be credited to the student’s bursar account.
Payment Policies

All charges must be paid in full on the date established by the University for each semester. The only exception to this policy is for students enrolled in the Monthly Payment Plan or the Student Deferred Payment Plan who have made all required payments before registration.

Payment may be made electronically through the use of various options detailed on our web site at bursar.syr.edu. In addition payment may also be made by check. Clearly indicate the student’s University I.D. number on the check. Checks must be in U.S. dollars, drawn on a U.S. bank. In the event that checks are not drawn on a U.S. bank and/or not payable in U.S. funds, the student account will be credited for the dollar value of the check, and will be charged for any unavoidable service charges incurred while processing the payment. No two-party checks will be accepted as payment for any University financial obligation. Postdated checks will not be accepted or held.

It is the responsibility of the student who is receiving financial aid from any source to ensure that the financial aid is available at the time of registration.

Students who are to receive tuition benefits from their employers paid directly to SU must present a signed letter of authorization indicating a billing address and the number of credits for which the employer is accepting responsibility.

Undergraduate Students - Main Campus

All charges must be paid in full on or before August 1 for the fall semester and on or before December 15 for the spring semester.

Graduate Students

All charges must be paid by the due date per the billing statement sent in September for fall and February for spring.

College of Law Students

All charges must be paid in full on or before August 1 for the fall semester and on or before December 15 for the spring semester.

University College Students

All UC and UC Online students must pay or make satisfactory payment arrangements at the time of registration. Depending on your payment option, class, program fees, and late registration fees may require payment in full at checkout. Our enhanced registration process will indicate Payment Awards specific to you at the time of UC Online registration. You will then be required to choose a Payment Option to cover any balance not covered by applicable Payment Awards. Any registration without a complete payment arrangement will result in cancellation of your entire class schedule. If you have any questions regarding your Payment Awards or what Payment Option is best for you, please review the PAYMENT OPTIONS AND AWARDS at parttime.syr.edu, in the Studies at Syracuse University/University College/Course Schedule or call the Bursar & Registration Office at 315-443-4135. We are here to help you!

Monthly Payment Plan

The Monthly Payment Plan is available to all main campus undergraduates, graduates, law students, and students registered through Syracuse University Abroad. SUNY College of Environmental Science and Forestry students may use the plan for meal plan charges. There is an annual nonrefundable application fee of $70 for participation in the plan.

The Monthly Payment Plan combines the elements of a deferred payment and a prepayment program. The total charges for each semester must be paid in monthly installments that will be recalculated based on account activity.

If you participate in this plan for the fall semester, your fall semester charges must be paid in full in November. If you participate in this plan for the spring semester, your spring semester charges must be paid in full in May.

Graduate students’ payment plans are a three-month duration with the first bill for fall sent in September and the first bill for spring sent in January.

Payment plan billing for fall semester begins in June and in November for spring semester. Students desiring to use the Monthly Payment Plan are encouraged to sign up as soon as possible to realize the maximum number of months over which to pay the balance due. A Monthly Payment Plan application must be completed each year.

There is no interest charge or finance charge (zero percent annual percentage rate) imposed for use of the Monthly Payment Plan. The application fee of $70 will be billed to you and included in your schedule of payments. Application forms for this plan may be obtained from Bursar Operations, Syracuse University, 102 Archbold North, Syracuse NY 13244-1140, or on the web at bursar.syr.edu.

Continued participation in the Monthly Payment Plan is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has previously not complied with the terms of the monthly payment plan billing schedule.

Prepaid Tuition Plan

The University’s Prepaid Tuition Plan allows freshman students to prepay eight consecutive semesters (four fall and four spring, summer study and Winterlude are not included), thereby locking in the rate of tuition in effect at the time of the plan’s initiation. Payment must be received by August 1 just before the first term of the student’s matriculation. This plan is available only to full-time Main Campus undergraduate students awarded less than $8,000 per year in institutional aid. We always recommend discussing this plan with your tax adviser. For a copy of the Prepaid Tuition Plan Agreement that governs this plan, please contact the Bursar’s Office: Bursar’s Office, Syracuse University, 102 Archbold North, Syracuse NY 13244-1140; 315-443-2444; or bursar@syr.edu.

Financial Hold and Registration Eligibility

A financial hold results when financial obligations, billed by the University, have not been satisfied by the due date indicated on the billing statement. A financial hold can be the result of a past due balance for tuition, room, meal plan, and fees; SU bookstore charges; or fines assessed by the library or parking services.

A financial hold condition prohibits a student’s eligibility to participate in the registration process or to receive a transcript or diploma.
Undergraduate students who registered in April for their fall courses and law students who matriculated prior to August 1, will have to pay their fall bill on or before August 1 in order to secure their class schedules. Students who are on the Monthly Payment Plan must current with their monthly payments in order to secure their class schedules.

A student whose registration schedule is canceled due to a financial hold may be closed out of the classes for which he/she had previously registered. A $50 late registration fee will be imposed.

Entering undergraduate students who registered over the summer must have their fall semester bills paid on or before August 1, or be current on the Monthly Payment Plan in order to secure their class schedules. If payment is not received on or before August 1, the course schedule may be canceled meaning the student may have to re-register when he/she arrives on campus in August.

To avoid financial hold, please pay all University bills by the due date noted on the billing statements. Monthly Payment Plan participants should make sure that payments are received no later than the due date of their monthly statement. Please keep e-mail addresses up-to-date for third parties who have been designated to receive e-bill notification.

Shared Account Access/E-Billing

Students may grant third-party access to their student account through MySlice.syr.edu. Third-party access must be set up for anyone along with the student to receive E-bill notification. Syracuse University is exclusively an e-billing institution.

Student Activity Fee

The Student Activity Fee is a mandatory fee for Main Campus and English Language Institute students that is collected by the University on behalf of such student governing bodies as Student Association, Graduate Student Organization, and Law Student Bar Association. The full-time undergraduate (registered for 12 or more credits) fee includes the $6 per year refundable NYPIRG fee. See the following section on the NYPIRG fee.

Questions regarding the Student Activity Fee should be directed to the following:
(1) Undergraduate students—Student Association Comptroller
(2) Graduate students—Graduate Student Organization Comptroller
(3) Law students—Law Student Bar Association Treasurer

Per semester $354

Students can participate in the services and activities offered by these departments during the semester for which the fee was paid. Other covered health-related services include SU ambulance services, medical transport services, flu shots, nutrition counseling, and short-term psychiatric assessment and intervention. The Health and Wellness Fee also contributes to other health and wellness promotion programming focused on keeping students safe and healthy and on enhancing their overall coping skills and social-emotional development. It is important to note that the Health and Wellness Fee does not cover charges for pharmacy, laboratory services, or certain clinical procedures, and does not cover any services provided by, or referrals to, other specialists, institutions, or agencies.

The Health and Wellness Fee is a mandatory fee for full-time undergraduate students and students in the College of Law registered for 12 or more credits. The fee is also mandatory for graduate students registered for 9 or more credits. Graduate students who have appointments as graduate assistants, graduate associates, and graduate fellows are assessed the fee but may have part or all of the fee remitted as part of their appointment.

Student Health Insurance $1,890

Syracuse University requires all incoming, newly-matriculated full-time undergraduate, graduate, and law students, all full-time matriculated undergraduate, graduate, and law international students, and all graduate student fellows to have current health care coverage provided by a US-based insurance plan. The plan must meet the minimum essential coverage of the Affordable Care Act and provide comprehensive, comparable coverage for services received in the Syracuse area. This Student Health Insurance requirement can be waived if the student can provide proof of qualifying insurance coverage. This insurance sponsored by the University helps to offset costs of services not covered by the health and wellness fee. Insurance provides students with access to medical services beyond the Health Center, including hospitalization, surgery, diagnostics, physician/specialist care along with prescriptions and other special ancillary services.

Athletic Activity Fees

ATHLETIC ACTIVITY ADMISSION FEES

Special prices for admission to University athletic contests and events are extended to full-time Syracuse University and SUNY College of Environmental Science and Forestry students.

For purposes of athletic admission, full-time status is determined by the same criteria that determine “Academic Full-Time Status,” which is explained on page 5 of this publication. Admission to any athletic event by using a student ticket is contingent upon producing a currently valid I.D. card. The laminated, machine readable photo I.D. must be presented at the time of admission. It is the responsibility of each student to make sure he or she maintains appropriate validation.

Spouses and dependent children purchasing tickets through a qualified student must have an I.D. card made at the I.D. card office and present the card in the same manner as a student when entering an event. Validation requirements are the same for spouses and children as for students.

The Syracuse University Athletic Department reserves the right to refuse admission to any party failing to present proper identification.

Student tickets are nontransferable. Resale of tickets to individuals ineligible for their use may result in disciplinary proceedings against the student as well as suspension of all admission privileges extended to the original ticket holder.

Football Season Tickets

Each full-time, main campus student currently registered at one of the institutions indicated may purchase a season ticket for the home football games occurring while Syracuse University is in session.

Spouses and dependent children of qualified students may also purchase football season tickets at the student ticket price with a valid Syracuse University I.D. card. I.D. cards for spouses and dependent children may be obtained through the I.D. card office in Steele Hall. Dependents wishing to avail themselves of the student ticket privileges should obtain their I.D. cards immediately after registration to allow time for processing of the cards.

The SU student season ticket seating area on the lower level is a modified general admission area. SU Student football season ticket holders wishing to sit in this area on game day must report to Gate E of the Carrier Dome to enter the facility. Presentation of the student’s own, valid student I.D. card for validation is required, upon which they will receive a wristband for sitting in that area. Student seating in the general admission area is first-come, first-served. Once the lower level student area is full, any later arriving students will be required to sit in the third level student seating area.

Students, spouses, and dependents who purchase season tickets are not entitled to purchase additional reduced price individual game tickets.

Men’s Basketball Season Tickets

The student basketball season ticket package includes one ticket to each of the regular season home games occurring while SU is in session. Due to the timing of this publication, the exact number of games to be included in the men’s basketball season package is not known. All regular season games that occur during Thanksgiving, Christmas, and spring break are not included in the season ticket package. Tickets for these games may be purchased at the regular reduced student price.

The same general rules and guidelines that apply to the sale of student football tickets also apply to the sale of student tickets for men’s basketball.

Women’s Basketball

Men’s and Women’s Lacrosse Tickets

SU students can enter any home men’s basketball, women’s lacrosse, or men’s lacrosse game free-of-charge by displaying their valid SU I.D. card at any open Carrier Dome entrance. All student seating for women’s basketball and men’s and women’s lacrosse is general admission.

OTHER ATHLETIC EVENTS

SU students can attend free-of-charge any home SU athletic contest that takes place at a campus venue other than the Carrier Dome by displaying their valid SU I.D. card at the time of entry.

A currently validated I.D. card for SUNY, ESF, or University College is required for admission to all facilities.

University College

University College (UC) serves all Syracuse University students during the summer. During the fall and spring, UC serves all matriculated part-time undergraduates as well as all non-matriculated and non-credit students.

Students may elect to audit a course at 60 percent of the full tuition rate (see exceptions below). Students must submit a completed Grading Option Application to the University College Bursar and Registration Office by the elect/renounce audit deadline of the appropriate term or the registration will be changed to credit and the student will be billed the difference in tuition to the credit rate.

Senior citizens, who are 65 or older by the first day of the term, may be eligible to pay one-third of the regular tuition for some UC credit courses on a space-available basis. Registration rules differ from regular registration and the discount does not apply to courses with limited space or those requiring extensive individualized instruction. Contact the UC Bursar/Registration Office or consult the Part-Time Course Schedule for details.

Charges for non-credit courses and programs vary. Their specific Schedule of Courses should be checked for exact rates.

University College non-matriculated graduate students may take undergraduate courses at the undergraduate tuition rate. Graduate students taking a 500-level class for undergraduate credit, or electing to audit a 500-level or undergraduate level class may do so with appropriate approvals and required paperwork, and pay the appropriate undergraduate tuition rate.

INTRA-UNIVERSITY TRANSFER TO UC

Undergraduate students who complete an intra-University transfer to University College and register during the designated enrollment period for each semester are charged University College rates. Full-time students who register on the main campus for a University College course are charged Syracuse University rates.

No student may transfer from main campus to University College to enroll in a non-credit course. Full-time students on the main campus must register separately at University College for these courses and pay the tuition in full.

Undergraduate students enrolled full time during the spring semester and who intend to register full time for the fall semester may not transfer to University College part-time status for the summer.

Student Deferred Payment Plan

UNIVERSITY COLLEGE STUDENTS—SUMMER

All students register online and must sign a promissory note and pay 25 percent of the total anticipated charges at the time of registration. The balance is due in one installment on the invoice due date. Students will be billed on the first invoice date immediately following registration. Since summer billing is scheduled to begin on approximately the 2nd day of the first summer session, students who choose to register just before the session begins may find that the posting of the down payment and invoice production overlap. In addition, students who early register for the second summer session will be billed and have payment due prior to the beginning of that session.

UNIVERSITY COLLEGE STUDENTS—FALL/SPRING

Students register online and must sign the promissory note and pay 25 percent of the total anticipated charges. The balance is due in three equal monthly installments on the invoice due dates.

Continued participation in Student Deferred Payment Plan is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has not complied previously with the terms of the promissory note.

Employer Tuition Reimbursement Plan

FOR UNIVERSITY COLLEGE AND MAIN CAMPUS STUDENTS

Students whose employers reimburse tuition only after courses are completed may request that their tuition payments be deferred until approximately 21 days after the semester ends.

Students register online and choose Employer Tuition Reimbursement as their payment option at the time of registration. The Employer Tuition Reimbursement application will be available for you to print at that time. It must be signed by the company representative and submitted to UC bursar registration within 7 business days of registering. Failure to do so may result in cancellation of your registration.

Students are billed and are responsible to pay by the billing invoice due date. Non-reimbursement from your employer for any reason by the invoice due date will not result in an extension to that date. It will also result in a late payment fee and denied participation in the plan for future terms. See the section “Penalties, Late Fee” on page 24.

Continued participation in the Employer Tuition Reimbursement Program is contingent upon a satisfactory payment history. Syracuse University reserves the right to deny continued participation to anyone who has not complied previously with the terms of this program.

Fees

LATE REGISTRATION FEE

A $50 late registration fee is assessed to all students who initially register for the term on or after the first day of the fall/spring term. Registration must be completed prior to the first day of the summer session (not term) in which the class is offered. Please note that registration in flexible format classes is recommended before the start of term or summer session. Since these classes are contingent upon enrollment, early registration enables us to confirm class offerings. Classes that are under-subscribed will be cancelled.

PARKING FEE

Students attending courses at Syracuse University must have a permit to park in University lots. For vehicle registration and SU parking fees see the “Vehicles” section on page 24.

Schedule Adjustment Procedures

University College students can drop classes via MySlice through the withdrawal (WD) deadline of the term. There is no need to present a drop form to the UC Bursar/Registration office. Note: The amount of any tuition adjustment will be based on the academic deadline in place on the date you drop any full-term class.*

Classes that do not meet for the entire term are considered flexible-format classes and have unique deadlines that do not conform to the published deadlines. Those deadlines are accessible via MySlice > Search for Classes. You may also view the deadlines via View My Class Schedule.

Financial aid recipients cannot drop below 6 credits without clearance. You could be responsible to pay the entire tuition amount for the term and you must repay any refund issued to you from that financial aid. New York State Tuition Assistance Program

Tuition assistance program aid is calculated and awarded based on student income and, if applicable, parental or spousal income, as reported on New York State income tax returns.

Upon completing a financial aid application (FAFSA), which is now available on the internet at www.fafsa.gov, a direct link to the New York State Tuition Assistance Program (TAP) application is automatically available. Higher Education Services Corporation will mail a request for information to the student if any further information is required. The student must complete the request for information for determination of a TAP award.

A student may receive a New York State TAP grant, provided he or she meets the following:

1. is a resident of New York State for one year immediately preceding the term for which aid is requested and has established permanent residence;
2. is a citizen of the United States or permanent resident alien or a paroled refugee;
3. is a matriculated full-time student (12 credit hours or more per state requirement) in an approved program of study (courses taken for audit and certain credit courses that are being repeated may not count toward full-time eligibility for TAP certification);
4. meets program pursuit requirements and maintains satisfactory academic progress. For further details, view the “Policies” section of the Office of Financial Aid and Scholarship Program’s web site, syr.edu/financialaid;
5. after receiving four semesters of TAP aid, undergraduates must have a cumulative C (2.0) average to receive the fifth and subsequent payments of TAP;
6. has officially declared a major/program of study prior to the first day of classes of the junior year (junior status is defined as having earned 54 credits);
7. does not exceed the New York State net taxable income eligibility guidelines.
8. part-time students at approved schools in New York State who were first-time, full-time freshmen in 2006-07 may be eligible for part-time TAP beginning in 2007-08. Part-time TAP is not the same as Aid for Part-Time Study.

In addition to the existing TAP eligibility rules for full-time students, to be eligible for part-time TAP a student must:

- Be a first-time freshman in the 2006-07 academic year or thereafter;
- Have earned 12 credits or more in each of two consecutive semesters, for a minimum total of 24 credits earned;
- Maintain a minimum “C” average.

AFTER FOUR PAYMENTS HAVE BEEN MADE, the annual payment for undergraduates may be reduced by $360 ($180 per semester).

Tuition assistance funds may be used only toward tuition.
Students who are New York State residents and are recipients of the SU Tuition Waiver Program or athletic scholarships are required to apply for TAP awards. These students may use TAP funds to pay any additional tuition charges incurred that are not covered by their tuition scholarship. Applicants for the SU Tuition Waiver Program are required to apply in a timely fashion for a New York State TAP award each year benefits are being used. An exemption from the New York State TAP award is available if certain income or residency requirements are satisfied. For more information on the New York State TAP award, please contact the University’s Bursar Office New York State Awards Coordinator at 315-443-4800. Failure to apply for a New York State TAP award or satisfy the exemption requirements will result in a $1,000 reduction of the waiver ($500 each semester). All New York State awards and minimum award amounts are subject to change or elimination pending New York State legislation.

The New York State Higher Education Services Corporation also administers various scholarship and fellowship programs for undergraduates and graduates. The eligibility requirements for these programs are the same as for TAP grants, with the exception of income limitations. These programs may also have unique requirements that must be met.

Additional information is available at the Syracuse University Bursar Operations Office, 102 Archbold North, or contact New York State Higher Education Services Corporation, 99 Washington Avenue, Albany NY 12255; by phone at 1-888-697-4372; or by visiting their web site at hesc.ny.gov.
Remitted Tuition Benefits

Eligibility

The awarding of Remitted Tuition is administered by the Office of Human Resources. Remitted Tuition provides credit hours for eligible employees/retirees and their spouses/same sex domestic partners for undergraduate and graduate study at Syracuse University or University College. Employees using Remitted Tuition benefits for themselves receive a full tuition waiver. Employees’ spouses or same-sex domestic partners who receive benefits transferred from an employee will receive a tuition waiver of 85 percent. For more information on tuition credit use, availability and expiration, please view the Human Resources web site: http://humanresources.syr.edu/benefits/ tuition-benefits-overview/ remitted-tuition-benefits/ or contact the Office of Human Resources at 315-443-4042.

Remitted Tuition Taxation

Below you will find the current tax rules relating to a remitted tuition benefit (RTB). As with all tax rules, these are subject to change by the U.S. Congress. In the event that the tax rules change, the new rules will be posted on the Comptroller’s Office website at http://comptroller.syr.edu under the “Taxes” section when they become available from the Internal Revenue Service.

RTB used by an eligible University employee for qualifying graduate-level courses is tax free up to $5,250 per calendar year. (This tax free treatment assumes the applicable requirements of the Syracuse University Educational Assistance Plan have been satisfied.)

RTB used by an eligible employee for graduate-level courses in excess of the annual $5,250 limit is generally taxable to the employee, and subject to tax withholding by the University at the time the benefit is used. Internal Revenue Service regulations and applicable court decisions set forth circumstances under which graduate-level courses in excess of the annual $5,250 limit taken by eligible employees using RTB may be non-taxable.

RTB used by the spouse of an eligible University employee for graduate-level courses generally is taxable to the employee, and subject to tax withholding at the time the benefit is used.

RTB used by an eligible University employee or the spouse of an eligible University employee for undergraduate courses generally is tax free.

RTB used by the same-sex domestic partner of a University employee for undergraduate and/or graduate level courses generally is taxable to the employee, and subject to tax withholding at the time the benefit is used.

For questions relating to the taxation of RTB, contact the Payroll Office at 315-443-4042, extension 2.

Cooperating Agencies

Cooperating agencies that provide field instruction for Syracuse University students receive tuition credits. Each agency authorizes those individuals who are eligible to use tuition credits in accordance with the agency’s contractual agreement with the University.

Tuition credits are not available for use until the semester following the term in which field instruction was provided and may not be applied retroactively to tuition charges incurred during a previous semester. Unused credits are forfeited if not used before or during the semester of expiration.

Outside agency tuition credits may be used in conjunction with any benefits that an individual may be eligible for as a spouse of a University employee.

Determination of taxability, as well as any actual tax withholding, is the responsibility of the agency that authorizes the use of tuition credits.

For further information about Cooperating agencies, contact the Bursar Operations Office at 315-443-5115.

NOTE: Individuals using Outside Agency tuition credits should have their agencies submit the appropriate authorization forms to Special Programs, Bursar Office, at least two weeks prior to registration.

SUNY ESF, Hendricks Chapel, ROTC, and cooperating agencies must contact the Bursar Operations Office at 315-443-5115 for assistance with the use of outside agency credits.

TUITION ASSISTANCE used by Syracuse University campus employees of ROTC and of Hendricks Chapel (who are not otherwise benefits eligible employees of Syracuse University) for undergraduate or graduate level courses is taxable income to the employee of ROTC and of Hendricks Chapel. The value of the RTB will be reported by Syracuse University on Form 1099 to the IRS and to employees of ROTC and of Hendricks Chapel who use it.

NOTE: The University at its discretion may prohibit the use of cooperating agency credits for certain courses and programs.

Refunds

If a student drops a course by the financial drop deadline during the fall or spring semester (for summer refer to financial deadline dates on page 3) and has no tuition liability, the remitted tuition benefit or tuition credit for that course will be restored.

University College 50 percent and 25 percent tuition adjustments do not apply to remitted tuition benefit recipients.

SU Tuition Waiver Program

Eligibility

The awarding of the SU Tuition Waiver Program is administered by the Office of Human Resources. It is important to note that the tuition waiver is not automatically activated with a student’s acceptance to the University by the Office of Admissions. For more information on the SU Tuition Waiver Program, please view the Human Resources web site, http://humanresources.syr.edu/benefits/tuition-benefits-overview/dependent/ or contact the Office of Human Resources at 315-443-4042.
Refund Policies

General Criteria

Students can request a refund resulting from an overpayment by submitting a request either directly to Bursar Operations, located at 102 Archbold North, or via the web at MySlice.syr.edu. Refunds will be available for pick-up at Cash Operations, Schine Student Center, or by direct deposit. Sign up on MySlice.syr.edu for Direct Deposit. All tuition refunds for withdrawing students are determined by Bursar Operations based on the date of the leave of absence, withdrawal, add/or drop using either our established policies or the federal regulations governing such matters, depending on which policy is to the student’s advantage.

The University may exercise the right of offset, meaning that a refund could be subject to adjustment if necessary to ensure University obligations are satisfied.

Students may elect to have excess funds remain on their accounts, understanding that any interest earned on these funds will be retained by the University to be used in its general operation. Students may at any time cancel such a request and receive a refund of excess funds.

LEAVE OF ABSENCE AND WITHDRAWALS FROM THE UNIVERSITY

Any student, prior to the 60 percent point in time in the period of enrollment, who withdraws, drops out, or is suspended or expelled from the institution, or otherwise fails to complete the program on or after his or her first day of classes, will be entitled to a refund of unearned tuition, fees, and other similar charges for attendance calculated on the following basis:

1. 100 percent of tuition, fees, and other similar charges less an administrative fee of $100 will be refunded if the separation from the University occurred before 5 p.m. on the last day of the financial drop period.
2. 73 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 27 percent of the enrollment period; 66 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 34 percent of the enrollment period; 60 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 40 percent of the enrollment period; 53 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 47 percent of the enrollment period; 46 percent of tuition, fees, and other similar charges will be refunded if the separation occurs before 5 p.m. on the day that marks the end of 54 percent of the enrollment period; 40 percent of tuition, fees, and other similar charges will be refunded if separation occurs before 5 p.m. on the day that marks the end of 60 percent of the enrollment period.
3. Students who are withdrawn from the University for academic reasons are eligible for a full tuition refund.
4. Students who take a leave of absence or withdraw for medical reasons must submit medical documentation to one of the following units: Health Services or the Counseling Center, within 60 days of when the request was initiated to qualify for the special refund consideration we extend under these circumstances (whether student or University-initiated) for tuition only. Otherwise, standard University policies will apply. Medical refunds, excluding the administrative fee of $100, will be based on the effective date of the leave and will be prorated using the total number of class days in the period of enrollment as the base number for the daily calculation.
5. Students who have submitted documentation indicating they have been called to active duty by any of the United States Armed Forces may request a tuition refund and prorated refund of housing and meal plan charges covering the semester for which they are enrolled.

Students must initiate a personal leave of absence/withdrawal through the Dean’s office of their home college. A medical leave may be initiated through the home college or the Office of Student Assistance. In addition, we suggest contacting the Bursar’s office at 315-443-2444 or by e-mail at bursar@syr.edu to let us know you have taken such action.

Tuition refund policies at ESF do not follow the same schedule as mentioned above. Please see the SUNY ESF handbook, your original bill, or contact the ESF bursar’s office for the SUNY refund policy.

University College

Full Semester Courses and Certain Distance Learning Programs (ISDP) (ISDPs A.A., B.A., M.B.A., M.S.) Any University College student who takes an official leave of absence, withdraws, or is suspended from the University, is entitled to a refund of unearned tuition, fees, and similar charges for attendance, based on the effective day of the leave of absence or withdrawal form.

M.S.Sc. Distance Learning Programs A 100 percent tuition adjustment will be applied to courses that are dropped within 30 days from the date of initial registration without residency attendance. There will be no tuition adjustment once a student attends a residency or drops 31 days after registration without residency attendance. The last date to drop a class from your transcript is 6 (six) months from the first day of residency.

Adjustments to Federal Financial Aid

Federal financial aid (Title IV funds) for students who withdraw from the University before the semester ends is adjusted according to Department of Education guidelines. Title IV funds include the Federal Perkins, Federal Direct Student, Parent and Graduate PLUS loans, FSEOG, Federal Pell Grant, and TEACH Grants.

If Title IV aid received is based on the number of days students are enrolled for the semester. During the first 60 percent of the semester, students may receive Title IV aid in proportion to the length of time they are enrolled. A student who withdraws before the 60-percent point may have their Title IV aid reduced. Students who remain enrolled beyond the 60-percent point and are charged full tuition may receive all Title IV aid for the semester.

Adjustments to Institutional Scholarships and Grants

Syracuse University scholarships and grants are awarded according to institutional policy. Students who withdraw before the semester ends may either lose their institutional scholarships and grants or have their institutional aid prorated.

Scholarships and grants are awarded on the basis of full-time enrollment for the full semester. Students that withdraw early may lose their institutionally funded scholarships and grants or have their aid prorated.

Refund and Withdrawal/Leave of Absence

In the event that you take a leave of absence or withdraw from the University, your student account may be subject to proration or removal of your financial aid for that term. If you receive a refund based on this funding, any subsequent financial aid adjustments resulting from a withdrawal or leave may result in a balance due on your bursar account, which will be due immediately upon your departure from the University. If you have any questions on this, we encourage you to contact our Financial Aid Office at 315-443-1513, or the Bursar’s Office at Bursar@syr.edu or 315-443-2444.

Residence Refunds

For continuing students no longer using the service with the permission of the University.

1. All residence refunds must be authorized for Bursar Operations by the Housing, Meal Plan, and I.D. Card Service Center.
2. The conditions of occupancy are defined in the Terms and Conditions of Student Housing. The occupancy term for single student housing is for the academic year (two semesters—fall and spring).
3. After students pick up their room keys, the following refund schedule is effective if a student withdraws from the University or leaves housing with the permission of the Housing, Meal Plan, and I.D. Card Service Center. Documentation of the student’s withdrawal from the University must be furnished to the Housing, Meal Plan, and I.D. Card Office.

Permit Refund Policies
CANCELLATIONS
Individuals may cancel their parking privileges by removing the parking permit from the vehicle and returning it to Parking Services. Unwillingness to remove the permit is not a valid reason for not surrendering it. Refunds will be authorized only upon presentation of the permit to Parking Services.

REFUNDS
Refunds will be computed when permits are returned, based upon the posted rates. If an individual has an outstanding balance for violation charges, any credits will be applied to the balance before a refund is issued. No refunds under $10 will be processed.

REPLACEMENT CHARGE
There is no charge for a replacement permit when registering a replacement vehicle or changing lot designation if the old permit is turned in.

If an individual fails to remove the permit from a registered vehicle, or if no permit is turned in when changing lots, there is a replacement charge of $15.

Charges
Any charges and expenses incurred by the University for towing or relocations of a vehicle will be charged against the registrant without regard to whether the registrant was operating the vehicle. In the case of nonregistration, the charge shall be assessed against the person who should have registered the vehicle, or, if there is more than one, all concerned will be liable for the charge.

Charges shall become effective on the day issued and are payable within a period of 14 days from the date of issuance. Payment may be made in person by cash, check, or credit card (MasterCard or VISA) at Parking Services. Payment may also be made in the form of a check mailed to Syracuse University, Parking Services, 621 Skytop Road, Syracuse NY 13244-5300. Checks must be payable to Syracuse University. The violator’s copy of the ticket must be included with payment. Failure to resolve outstanding balances may result in additional charges and collection action.
